EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

The proposed legislation exempts LA residents 6 days each year from paying admission charges to entities or organizations that received \$1 M in capital outlay funding for a project that collects a general admission charge. However, the fiscal impact on state and local revenues is indeterminable since it will depend on the number of state or local entities or organizations that received \$1 M in capital outlay funding for a project that collects a general admission charge; amount of general admission fees; and the number of residents taking advantage of the free admission monthly.
