SENATE RESOLUTION NO. 203

BY SENATOR BARROW

A RESOLUTION

To continue and provide with respect to the Task Force on Prevention of Human Degradation and Exploitation of Vulnerable Individuals in Community-Based Residential Settings created by Senate Resolution No. 23 of the 2018 Second Extraordinary Session of the Legislature.

WHEREAS, through Senate Resolution No. 23 of the 2018 Second Extraordinary Session, the legislature formed a task force to study and make recommendations relative to current and proposed regulations necessary to protect nonrelated individuals residing in a single dwelling from a property owner or landlord who acts without regard to basic rights and responsibilities owed to his tenants; and

WHEREAS, after months of research and numerous public meetings, Senate Bill No. 218 of the 2019 Regular Session of the Legislature was filed to establish a minimum standard for shared housing establishments, which included certain residency prohibitions that were suggested to be in violation of the Fair Housing Act, 42 USC 3601 et seq.; and

WHEREAS, in an effort to clarify that Senate Bill No. 218 was not intended to discriminate against any resident, it was amended in the Senate Committee on Health and Welfare to establish a rental housing registry and apply to all rental properties regardless of the unique characteristics of its residents; and

WHEREAS, this equal application to all rental properties drew insurmountable opposition from landlords and property owners who would be subject to the rental housing registry; and

WHEREAS, after meeting with the opposition and sincerely attempting to address expressed concerns, Senate Bill No. 218 was amended on the Senate floor to limit the requirement of the rental housing registry to single-family dwellings that were rented to four or more unrelated adults, to exempt apartments, complexes, and residential dwellings licensed by the Louisiana Department of Health and the Louisiana Department of Children

and Family Services, and to place all authority for implementation and enforcement with the local parish and municipal governing bodies to be accomplished by local ordinance; and

WHEREAS, even with these significant changes to Senate Bill No. 218, the opposition was unwavering and, due to the short nature of a regular fiscal legislative session, time did not allow for further negotiation; and

WHEREAS, the work of the Task Force on Prevention of Human Degradation and Exploitation of Vulnerable Individuals in Community-Based Residential Settings is not complete until a legal and fair solution to the problem of unregulated rental housing is devised and implemented, and it is imperative that those organizations that oppose Senate Bill No. 218 join in this effort to craft a solution that works for all.

THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana does hereby continue and provide with respect to the Task Force on Prevention of Human Degradation and Exploitation of Vulnerable Individuals in Community-Based Residential Settings, created by Senate Resolution No. 23 of the 2018 Second Extraordinary Session of the Legislature.

(4) Any civil or criminal penalties to be assessed against a property owner or landowner who manipulates, scams, exploits, or stockpiles individuals in unclean, unsafe,

overcrowded, and unhealthy community-based residential settings.

(5) Any transition or relocation plan for vulnerable individuals who reside in a community-based setting that is deemed unclean, unsafe, overcrowded, and unhealthy.

(6) Any other recommendation deemed important by the task force to address this matter.
