EXPENDITURE EXPLANATION

In certain circumstances, the Secretary of State may incur minimal ballot processing costs associated with this measure. As a regular practice, the department budgets for up to 10 constitutional amendments and statewide propositions for the fall statewide elections. To the extent the ballot includes more than 10 constitutional amendments and statewide propositions, the Secretary of State may require additional SGF resources for the 11/03/26 statewide election. Any expenditure impact would be realized in FY 27.

Note: A companion bill (SB 296) is the enabling legislation. The impact of adding two additional commissioners is contemplated in the fiscal note for SB 296.
