1           §2243.2. Application; definitions

2           Terms not specifically defined in this Section shall have the meanings  
 3 provided in R.S. 11:2213, unless a different meaning is clearly required by the  
 4 context. For the purposes of this Part:

5           (1) "Employer" or "Plan C employer" means either of the following:

6           (a) An employer, as defined in R.S. 11:2213, that covers its employees under  
 7 the federal Social Security program that has made an irrevocable election in  
 8 accordance with R.S. 11:157.2 to enroll all of its employees who would otherwise  
 9 be eligible for membership in the applicable subplan provided for in Part II or III of  
 10 this Chapter in this subplan.

11           (b) An employer, as defined in R.S. 11:2213, that covers its employees under  
 12 the federal Social Security program that employs a member who has made an  
 13 irrevocable election in accordance with R.S. 11:157 to be a member of this subplan  
 14 in lieu of membership in the applicable subplan provided for in Part II or III of this  
 15 Chapter.

16           (2) "Member" means any employee of a Plan C employer or any employee  
 17 who made an election under R.S. 11:157 to be a member of this subplan.

18           (3) "Subplan" means Plan C created by this Part.

19           (4) "System" means the Municipal Police Employees' Retirement System.

 23 disability benefits, the authority of the board of trustees to modify disability benefits,  
 24 and procedures governing the restoration to active service of an employee who  
 25 formerly had a disability shall be as provided in R.S. 11:202 through 225.

26           (2) The burden of proving that a disability is not based on a preexisting  
 27 condition, prohibiting receipt of benefits, shall lie with the employee if the physical  
 28 examination and waiver forms required by R.S. 11:2214(A)(2) have not been  
 29 submitted to the system.

30           B.(1) The board of trustees shall award disability benefits to eligible  
 31 members who have been officially certified as disabled to perform the position held  
 32 by the member at the time that the disability was incurred or as disabled to perform  
 33 any other position paying the same salary currently available in the department if the  
 34 disability is not the result of a preexisting condition. Upon receipt of any application  
 35 for disability retirement, the system shall request from the chief of police the job  
 36 descriptions of all positions currently available in the department paying the same  
 37 salary. Such job descriptions shall be submitted to the system within thirty days, or  
 38 it shall be presumed that no position is available that pays the same salary. The  
 39 disability benefit shall be determined as provided in this Section.

40           (2) Upon application for retirement due to a total and permanent disability  
 41 caused solely as the result of injuries sustained in the performance of his official  
 42 duties, a member shall receive a disability benefit equal to two and three-quarters  
 43 percent of his average final compensation multiplied by his years of creditable  
 44 service, but not less than thirty-three percent nor more than fifty-five percent of his  
 45 average final compensation.

1           C.(1) Any disability retiree who is in a coma or who is paraplegic, when  
 2 such condition is solely the result of injuries sustained in the performance of his  
 3 official duties and such condition is certified by the State Medical Disability Board  
 4 shall receive a benefit equal to his average final compensation.

5           (2) Any disability retiree who is blinded or who loses the total use of a limb  
 6 solely as a result of injuries sustained in the performance of his official duties and  
 7 whose condition is certified by the State Medical Disability Board shall receive a  
 8 benefit equal to his average final compensation.

9           D. Notwithstanding the provisions of R.S. 11:221(D), any disability benefits  
 10 granted under the provisions of this Section shall not be reduced because the  
 11 disability retiree is also receiving social security disability benefits.

12           §2243.4. Survivor benefits

13           A. Benefits shall be payable to any survivor of a member of this subplan who  
 14 dies while in the service or a disability retiree who dies after retirement as a result  
 15 of injuries sustained in the line of duty as specified in this Section.

16           (B) If an eligible member or disability retiree dies and leaves a surviving  
 17 spouse, the surviving spouse shall receive a benefit equal to one hundred percent of  
 18 the member's average final compensation less any survivor benefits payable to a  
 19 surviving child or children as provided in this Section. The sum of survivor benefits  
 20 paid to surviving children and a surviving spouse shall not exceed one hundred  
 21 percent of the member's average final compensation.

22           (C)(1) If an eligible member or disability retiree dies and leaves, in addition  
 23 to a surviving spouse, one or more surviving children, each surviving child shall be  
 24 paid monthly benefits equal to ten percent of the deceased member's average final  
 25 compensation, or two hundred dollars per month, whichever is greater. However,  
 26 benefits payable on account of each surviving child, when added to the benefits  
 27 payable to the surviving spouse, shall not exceed an aggregate of one hundred  
 28 percent of the deceased member's average final compensation.

29           (2) If an eligible member or disability retiree dies and does not leave a  
 30 surviving spouse but leaves one or more surviving children, each surviving child  
 31 shall be paid a monthly benefit equal to twenty-five percent of the deceased  
 32 member's average final compensation. Benefits paid on account of each surviving  
 33 child shall not exceed an aggregate of fifty percent of the average final  
 34 compensation. If the deceased member is survived by only one surviving child, the  
 35 surviving child shall be paid not less than thirty percent of the deceased member's  
 36 average final compensation.

37           (3) If at the time of death the member or disability retiree is not married to  
 38 the natural parent of any surviving child or children who are entitled to receive a  
 39 payment pursuant to this Section and if a trust has been created by the deceased  
 40 member or disability retiree for the benefit of such surviving child or children, the  
 41 payment shall be made to any person designated as a trustee by the member or  
 42 disability retiree on a certified copy of a trust document submitted to the system by  
 43 the member or disability retiree."
