Proposed law retains present law and stipulates that if a payment for a claim is recouped by the department, a contractor of the department, or any other entity acting at the direction or under the authority of the department due to a determination more than 365 days from the

date the service was provided that the claim was improperly billed but the services were reasonable and necessary, the department shall ensure that the provider is afforded additional time to refile a corrected claim for that portion of the amount recouped to the extent permitted by federal law.
