
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Cheryl Serrett.

SR 180 Original	DIGEST 2016 Regular Session	Barrow
-----------------	--------------------------------	--------

Requests the State Board of Elementary and Secondary Education to prepare and publish a fiscal impact study that analyzes the impact each proposed Type 2 charter school would have on the local school district, prior to granting a Type 2 charter. Further requests BESE to allow for public comment on the fiscal impact study, either in person or in writing, before any determination on the proposal is made.
