

## **RÉSUMÉ DIGEST**

**SR 180**

**2016 Regular Session**

**Barrow**

Requests the State Board of Elementary and Secondary Education to prepare and publish a fiscal impact study that analyzes the impact each proposed Type 2 charter school would have on the local school district, prior to granting a Type 2 charter. Further requests BESE to allow for public comment on the fiscal impact study, either in person or in writing, before any determination on the proposal is made.
