

RÉSUMÉ DIGEST

ACT 262 (HB 960)

2016 Regular Session

Adams

New law requires any temporary housing being provided to house temporary workers to comply with the provisions of existing law regulating industrialized buildings.

New law clarifies that the provisions of new law shall not apply to one- or two-family dwellings, manufactured homes, or other commercial structures being lawfully used to house temporary workers.

Effective August 1, 2016.
