Abstract: Regarding recommittal of legislative instruments with a fiscal cost, removes the restriction that the fiscal cost must be from state general funds and requires all legislative instruments with a fiscal cost of \$100,000 or more to be recommitted to the House Committee on Appropriations.

<u>Present House Rule</u> (House Rule 6.8) requires the recommittal of certain legislative instruments including constitutional amendments (Civil Law & Procedure); resolutions proposing certain studies (House and Governmental Affairs); the Capital Outlay Bill (Appropriations); the MFP concurrent resolution (Appropriations); special funds (Appropriations); legislative instruments with a fiscal cost of \$100,000 or more of state general funds in any one of three ensuing fiscal years; Senate instruments with a net decrease in fees or a net increase in fees or taxes of \$500,000 or more (Ways & Means); public records exceptions (House and Governmental Affairs); and provisions to join an interstate compact (House and Governmental Affairs).

<u>Proposed House Rule</u> relative to the recommittal of legislative instruments with a fiscal cost, removes the requirement that the fiscal cost must be from state general funds and instead requires all legislative instruments with a fiscal cost of \$100,000 or more to be recommitted to the House Committee on Appropriations.
