Proposed law provides that its purpose is to enhance the overall integrity of the La. Medicaid program through necessary reforms to the program's eligibility determination functions.

Proposed law requires the La. Department of Health (LDH) to utilize state income tax return data in the process of determining all of the following:

- (1) A Medicaid applicant's initial eligibility for Medicaid benefits.
- (2) A Medicaid enrollee's continued eligibility for Medicaid benefits at the time of his eligibility redetermination.

Proposed law requires that LDH utilize state income tax return data including, but not limited to, income and dependent information in its Medicaid eligibility determination process.

- (1) Ensuring accuracy of Medicaid eligibility determinations.
- (2) Detecting and preventing fraud in the Medicaid program.
- (3) Fulfilling the requirements of present law relative to Medicaid program integrity, R.S. 46:437.1 et seq.

Proposed law authorizes the secretary of the La. Department of Revenue to enter into any memorandum of understanding, cooperative endeavor, or other type of agreement as may be necessary to facilitate sharing of data with the legislative auditor and the secretary of LDH, respectively, for the purposes set forth in proposed law.

Present law, R.S. 24:513, provides for the powers and duties of the legislative auditor.

Proposed law retains present law and adds thereto an authorization for the legislative auditor to access individual-level state income tax return data, in accordance with proposed law, for the following purposes:

- (1) Ensuring accuracy of Medicaid eligibility determinations.
- (2) Detecting and preventing fraud in the Medicaid program.
