HB 531 Original

2018 Regular Session

Leger

**Abstract:** Authorizes revenues from the lease or rental of LSU hospital buildings, facilities, or equipment to be classified as fees and self-generated revenues available for appropriation to the La. Dept. of Health.

Present law requires all receipts of lease payments for the public/private partnership leases of state hospital buildings and equipment net of clinic and hospital lease payments made by the LSU Health Sciences Center - Health Care Services Division (HCSD) be deposited into the state general fund. Requires that the HCSD transfer all revenues it receives from the public private partnerships to the La. Dept. of Health.

Proposed law provides that, beginning in Fiscal Year 2019-2020, the state hospitals, or their successor state agencies, shall deposit all receipts from lease or rental payments for the lease of hospital buildings, facilities, or equipment into the state treasury. The receipts shall be classified and considered as fees and self-generated revenues available for appropriation to the La Dept. of Health as recognized by the Revenue Estimating Conference.

Effective upon signature of governor or lapse of time for gubernatorial action.
