(b)(i) Provide to the state Department of Education, for the purpose of satisfying state and federal assessment, auditing, funding, monitoring, program administration, and state accountability requirements, information from which enough personally identifiable information has been removed such that the remaining information does not identify a student and there is no basis to believe that the information alone can be used to identify a student. No official or employee of the state Department of Education shall share such information with any person or public or private entity located outside of Louisiana, other than for purposes of academic analysis of assessments or for purposes of research as authorized in Item (ii) of this Subparagraph. (ii) An official or employee of the state Department of Education may share such information with a person who is an employee of, and conducting academic research at, any postsecondary education institution accredited by a regional or national accrediting organization recognized by the United States Department of Education, provided the person and the department have entered into a memorandum of understanding in which the person agrees to be liable for any criminal and civil penalties imposed as provided in Subsection G of this Section for any violation of the provisions of this Section.

HB 716 Engrossed

2018 Regular Session

Leger

Abstract: Allows the state Dept. of Education to share student information with certain postsecondary education institutions, including those located out-of-state for purposes of academic research.

<u>Present law</u> prohibits an official or employee of a city, parish, or other local public school system from providing personally identifiable student information to any member of the school board or to any other person or public or private entity. Provides certain exceptions to this prohibition including providing information to the state Dept. of Education for the purpose of satisfying state and federal assessment, auditing, funding, monitoring, program administration, and state accountability requirements, if sufficient personally identifiable information is removed so that the remaining information alone cannot be used to identify

CODING: Words in struck through type are deletions from existing law; words <u>underscored</u> are additions.

ENGROSSED HB NO. 716

a student. Authorizes officials and employees of the department to share information it has received with a person or public or private entity outside of La. only for purposes of academic analysis of assessments.

<u>Present law</u> provides that most violations of <u>present law</u> are punishable by imprisonment for not more than six months or by a fine of not more than \$10,000.

<u>Proposed law</u> further authorizes the department to share student information it has received with a person who is an employee of and conducting research at a postsecondary education institution accredited by a regional or national accrediting organization recognized by the U.S. Dept. of Education if the person and the department enter into a memorandum of understanding in which the person agrees to be liable for any criminal and civil penalties imposed by <u>present law</u> for any violation of <u>present law</u>.

(Amends R.S. 17:3914(C)(2)(intro. para.) and (b))
