12 Section 1. Chapter 20 of Subtitle II of Title 30 of the Louisiana Revised States of
13 1950 comprised of R.S. 30:2501 through 2521, the heading of Part I of Chapter 21 of
14 Subtitle II of Title 30 of the Louisiana Revised Statutes of 1950, and R.S. 30:2531(C)(4) are
15 hereby amended and reenacted to read as follows:

16 CHAPTER 20. LOUISIANA ENVIRONMENTAL EDUCATION AND LITTER
17 REDUCTION ACT

18 §2501. Title

19 This Chapter may be cited as the "Louisiana Environmental Education and
20 Litter Reduction Act".

1 §2502. Legislative findings

2 A. It is in the public interest that a comprehensive and balanced
3 environmental education initiative be undertaken that will result in environmentally
4 literate citizens who will effectively and constructively solve existing environmental
5 problems, prevent new ones, and maintain a sustainable environment for future
6 generations. The appropriate audiences for environmental education include formal
7 education, business, government, nonprofit organizations, and citizens.

8 B. Characteristics of an environmentally literate citizenry must include:

9 (1) An understanding of the right of every person to own, control, use, enjoy,
10 and dispose of private property, subject only to reasonable regulation.

11 (2) An understanding that the Louisiana Constitution requires the use of a
12 balancing process in environmental protection decisions in which environmental
13 costs and benefits must be given full and careful consideration along with economic,
14 social, and other factors.

15 (3) Ecological literacy, including a basic understanding of ecological
16 principles and concepts and their application, the cause and effect relationship
17 between human health and the environment, and the economics of that relationship.

18 (4) Civic literacy, including a basic understanding of the decisionmaking
19 processes of governments, business, and other social, political, and economic
20 institutions impinging upon environmental issues.

21 (5) Mathematical, technological, and scientific literacy, including an
22 understanding of the basic concepts of mathematics and science to evaluate
23 environmental problems and make sound decisions regarding their resolution.

24 (6) Personal and social action skills, including developing and using skills
25 such as problem solving, risk analysis, and integrating diverse perspectives to
26 understand and contribute to decision-making processes.

27 (7) Attitudes, including the expression of care for other humans, present and
28 future, and for other components of the environment. These attitudes also affect
29 understanding of ecology and civic responsibility.

1 (8) Motivation for action, including the commitment to act for a healthy
2 environment based on one's attitudes, knowledge, and skills.

3 C. The legislature declares that it is the intent of this Chapter to create a
4 balanced statewide environmental education program for the purpose of identifying
5 the needs and setting priorities for environmental education within the state.

6 §2503. Louisiana Environmental Education Commission; creation; membership;
7 duties

8 A.(1) There is hereby created, within the Department of Wildlife and
9 Fisheries, the Louisiana Environmental Education Commission, hereinafter referred
10 to as the "commission".

11 (2) The commission shall consist of the secretary of the Department of
12 Wildlife and Fisheries or his designee, the state superintendent of education or his
13 designee, the secretary of the Department of Environmental Quality or his designee,
14 the secretary of the Department of Natural Resources or his designee, the secretary
