

1           WHEREAS, in order to address the requests of House Concurrent Resolution No.  
2 218, the Electronic Signatures Study Group met on November 4, 2016, and delivered an  
3 interim report to the Louisiana Legislature on January 27, 2017; and

4           WHEREAS, the interim report of the Louisiana State Law Institute Electronic  
5 Signatures Study Group reported that the study group agreed that the enactment of an  
6 electronic notary law in Louisiana is advisable, and the study group would continue to  
7 research relevant issues in order to prepare recommendations to the Louisiana Legislature;  
8 and

9           WHEREAS, audio and video conference technology has continued to develop and  
10 is becoming more widely available and used by notaries public in other states to  
11 electronically notarize documents when the signor is not in the presence of the notary, and  
12 Louisiana law does not currently recognize such remote on-line notarization; and

13           WHEREAS, with the evolution of technology and the increasing use of technology  
14 to facilitate commerce and banking, a number of states now allow for electronic notarization  
15 of electronic records, as distinguished from traditional pen and paper notarization; and

16           WHEREAS, a similar law in Louisiana would allow businesses to utilize current  
17 technology in an effort to facilitate transactions and to efficiently and safely serve customers.

18           THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby  
19 authorize and direct the Louisiana State Law Institute to prepare proposed legislation  
20 providing for the enactment of an electronic notary law.

21           BE IT FURTHER RESOLVED that the Legislature of Louisiana does hereby  
22 authorize and direct the Louisiana State Law Institute to include representatives of the

24 Association, Louisiana State Bar Association, Louisiana Association of Independent Land  
25 Title Agents, and the Louisiana Land Title Association, to the extent not already included  
26 in the study group.

27           BE IT FURTHER RESOLVED that the Louisiana State Law Institute shall submit  
28 proposed legislation to the Louisiana Legislature no later than February 1, 2019.

29           BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
