Provides with respect to record-keeping of appraisals of certain public service properties by the La. Tax Commission

Proposed law requires the LA Tax Commission (LTC) to retain records for public service property appraisals that include the rationale for the determination of the appraisal approach utilized. Proposed law additionally requires LTC to retain records including the analysis used to determine which factors to use in each appraisal of fair market value assignable to property within the state for companies that operate inside and outside of the state.

Effective upon governor's signature.
