To require that parents be provided with information regarding the public health risk associated with pornography and access to information on prevention. (8/1/18)

Present law requires school districts to adopt policies regarding access by students and employees to internet and online sites that contain or make reference to harmful material that is believed to be obscene, pornographic, conducive to hostile or dangerous school environment, violent, or sexually harassing, including the use of computer related technology or internet service provider technology designed to block access or exposure. **Proposed law** further requires the Department of Education to prepare information regarding the public health risks and harm associated with pornography including resources available to parents regarding child safeguards and free internet filters; delineates information to be included. Requires the department to disseminate information to each public elementary and secondary school for distribution to the parent of each student.

EXPENDITURE EXPLANATION

There is no anticipated impact to the Department of Education(LDE) to compile and disseminate the information required in the bill. Several web sites including the National Center on Sexual Exploitation, National Coalition to Prevent Child Abuse and Exploitation, and Kidshealth provide resources including research, talking points, mass media, and sample documents for schools. This information is available at no charge. There will be no costs for the LDE to disseminate the information electronically.

There may be an increase in expenditures of local school districts to distribute the information provided by the Department of Education. The costs will vary by district as will the methodology used to distribute the information.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
