8	Be it enacted by the Legislature of Louisiana:
9	Section 1. Part V of Chapter 11 of Title 37 of the Louisiana Revised Statutes of
10	1950, comprised of R.S. 37:1018 through 1020, is hereby enacted to read as follows:
11	PART V. NURSE LICENSURE COMPACT
12	§1018. Nurse Licensure Compact; adoption
13	The Nurse Licensure Compact is hereby recognized and enacted into law
14	and entered into by this state with all states legally joining therein in the form
15	substantially as follows:
16	NURSE LICENSURE COMPACT
17	ARTICLE I. Findings and Declaration of Purpose
18	(a) The party states find that:
19	(1) The health and safety of the public are affected by the degree of
20	compliance with and the effectiveness of enforcement activities related to state
21	nurse licensure laws.
22	(2) Violations of nurse licensure and other laws regulating the practice
23	of nursing may result in injury or harm to the public.
24	(3) The expanded mobility of nurses and the use of advanced
25	communication technologies as part of our nation's health care delivery system

1	<u>require greater coordination and cooperation among states in the areas of nurse</u>
2	licensure and regulation.
3	(4) New practice modalities and technology make compliance with
4	individual state nurse licensure laws difficult and complex.
5	(5) The current system of duplicative licensure for nurses practicing in
6	multiple states is cumbersome and redundant for both nurses and states.
7	(6) Uniformity of nurse licensure requirements throughout the states
8	promotes public safety and public health benefits.
9	(b) The general purposes of this compact are to:
10	(1) Facilitate the states' responsibility to protect the public's health and
11	<u>safety.</u>
12	(2) Ensure and encourage the cooperation of party states in the areas of
13	nurse licensure and regulation.
14	(3) Facilitate the exchange of information between party states in the
15	areas of nurse regulation, investigation, and adverse actions.
16	(4) Promote compliance with the laws governing the practice of nursing
17	in each jurisdiction.
18	(5) Invest all party states with the authority to hold a nurse accountable
19	for meeting all state practice laws in the state in which the patient is located at
20	the time care is rendered through the mutual recognition of party state licenses.
21	(6) Decrease redundancies in the consideration and issuance of nurse
22	licenses.
23	(7) Provide opportunities for interstate practice by nurses who meet
24	uniform licensure requirements.
25	ARTICLE II. Definitions
26	As used in this compact:

28	criminal action permitted by a state's laws which is imposed by a licensing

7	other action to be taken by the commission.
8	(ii) Provide remedial training and specific technical assistance regarding
9	the default.
10	(2) If a state in default fails to cure the default, the defaulting state's
11	membership in this compact may be terminated upon an affirmative vote of a
12	majority of the administrators, and all rights, privileges, and benefits conferred
13	by this compact may be terminated on the effective date of termination. A cure

15	incurred during the period of default.
16	(3) Termination of membership in this compact shall be imposed only
17	after all other means of securing compliance have been exhausted. Notice of
18	intent to suspend or terminate shall be given by the commission to the governor
19	of the defaulting state and to the executive officer of the defaulting state's
20	licensing board and each of the party states.
21	(4) A state whose membership in this compact has been terminated is
22	responsible for all assessments, obligations, and liabilities incurred through the
23	effective date of termination, including obligations that extend beyond the
24	effective date of termination.
25	(5) The commission shall not bear any costs related to a state that is
26	found to be in default or whose membership in this compact has been
27	terminated unless agreed upon in writing between the commission and the
28	defaulting state.
29	(6) The defaulting state may appeal the action of the commission by
