

RÉSUMÉ DIGEST

ACT 500 (HB 47)

2018 Regular Session

Bishop

Existing law allows a person or entity to enter into a cooperative endeavor agreement to withdraw running surface water. The initial term of the agreement is limited to two years.

Prior law prohibited any new cooperative endeavor agreement to be entered into for which an application was received by the Dept. of Natural Resources after Dec. 31, 2018.

New law retains prior law but extends the date for which an application can be received from Dec. 31, 2018, to Dec. 31, 2020.

Prior law authorized renewal of agreements in two-year increments but specified that such agreements can terminate no later than Dec. 31, 2020.

New law retains prior law but extends the final termination date from Dec. 31, 2020, to Dec. 31, 2028.

Effective August 1, 2018.
