## DIGEST 2019 Regular Session

White

<u>Present constitution</u> authorizes the Board of Commerce and Industry, with gubernatorial approval, to enter into contracts to exempt new and expanding manufacturing facilities from local ad valorem taxation.

Present law creates the Board of Commerce and Industry and provides for its membership.

<u>Proposed law</u> adds three local government appointees to the Board of Commerce and Industry to represent the local taxing authorities for the parish in which the project under consideration is located when the Board is exercising its constitutional authority to enter into tax exemption contracts.

- (1) One member appointed by the presiding officer of the authority.
- (2) One member appointed by the presiding officer of the school board.
- (3) One member appointed by the sheriff.

SB 214 Original

<u>Proposed law</u> gives full right to participate in and vote on matters to the local members when the board is considering an exemption contract for a project located in their parish.

<u>Proposed law</u> provides that the terms of the local members will run concurrently with their appointing authority and does not require Senate confirmation of the local members.

<u>Proposed law</u> requires that local members are qualified electors that do not hold public office and are not employees of any of the appointing authorities.

<u>Proposed law</u> authorizes the three appointees from a parish to hold subcommittee meetings to determine whether to approve or reject an application for an exemption contract in their parish. Subcommittee meetings may be held outside Baton Rouge and are subject to the Open Meetings Law.

<u>Proposed law</u> provides that if an item is approved by the subcommittee it shall be forwarded to the board for approval. If an item is rejected the board may only consider the item if the board, including the appropriate local members, by majority vote brings the item up for consideration.

Effective upon signature of the governor or lapse of time for gubernatorial action.
