AMENDMENT NO. 6

On page 2, after line 19, delete the remainder of the page and on page 3 delete lines 1  
through 4 in their entirety and insert in lieu thereof the following:

"WHEREAS, during this planning process, to underscore the necessity of an  
MLTSS system, LDH officials indicated that the department's objectives and  
purposes in implementing the system included all of the following:

(1) To improve the quality of services and health outcomes for the covered  
population.

(2) To decrease fragmentation of services and supports and improve  
coordination of care.

(3) To create a system that utilizes proven or promising practices.

(4) To refocus the system in order to increase choice and provide more  
robust living options for persons who need long-term services and supports and their  
families.

(5) To rebalance the long-term care system in order to meet the growing  
demand for services within the existing level of expenditures for the covered  
population; and"

AMENDMENT NO. 7

On page 3, delete lines 9 through 11 in their entirety and insert in lieu thereof the following:

"WHEREAS, the RFP contained extensive provisions to address issues and  
concerns of stakeholders in both the consumer and provider communities and to  
encompass lessons learned from other states; and

WHEREAS, in April of 2015, pursuant to the division of administration and  
the legislative fiscal office granting approval in that month of the RFP for release,

1 the department announced that it would release the RFP, then indicated that the  
2 release of the RFP would be delayed; and"
