DIGEST 2019 Regular Session

Barrow

<u>Present law</u> provides for an immunization registry for children and young adults. <u>Proposed law</u> statutorily names the immunization registry the Louisiana Immunization Network (LINKS) and makes it applicable to children and adults.

<u>Present law</u> applies to day care centers. <u>Proposed law</u> updates terminology to comply with the statutory creation of early learning centers in <u>present law</u>.

<u>Present law</u> provides that in the event of a public health emergency as declared by the state health officer, including a natural disaster, bioterrorist attack, epidemic, or other event affecting the public health, the requirement to obtain consent for placement on a registry shall be waived for mass immunizations performed in response to such declaration. <u>Proposed law</u> repeals present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
