DIGEST

SB 55 Reengrossed

2019 Regular Session

Riser

Present law (R.S. 3:4601 et sq.) provides for the Louisiana Weights and Measures Law, which sets the standards and requirements for the sale of all agriculture commodities. Further requires the Department of Agriculture and Forestry to supervise the weights, measures, and weighing and measuring devices offered for sale, sold, and used in the state.

Proposed law retains present law.

Present law (R.S. 3:4623(C)) exempts the sale of shelled field corn from the Louisiana Weights and Measures Law if the net weight of the shelled field corn is verified by a National Type Evaluation Program (NTEP) certified scale prior to distribution of the shelled field corn.

Proposed law exempts the sale of an aggregate of 20,000 bushels or less per year of shelled field corn made directly from a producer to a purchaser from the Louisiana Weights and Measures Law.

Proposed law exempts the sale of an aggregate of more than 20,000 bushels per year of shelled field corn if the net weight of the shelled field corn is verified by a National Type Evaluation Program (NTEP) certified scale prior to distribution of the shelled field corn.

Effective August 1, 2019.

(Amends R.S. 3:4623(C))
