

2019 Regular Session

HOUSE RESOLUTION NO. 137

BY REPRESENTATIVE JAMES

SPECIAL DAY/WEEK/MONTH: Recognizes May 1-10, 2019, as Cri du Chat Awareness Week

1 A RESOLUTION

2 To recognize May 1 through 10, 2019, as Cri du Chat Awareness Week.

3 WHEREAS, each year, approximately fifty to sixty children are born with 5p- (five
4 p minus) syndrome in the United States, a syndrome that is otherwise known as cat cry
5 syndrome or cri du chat syndrome; and

6 WHEREAS, the syndrome is sometimes called 5p- syndrome because people who
7 are diagnosed with it are missing a portion of chromosome number five, a portion that is
8 called 5p by geneticists; and

9 WHEREAS, at birth, some common characteristics of cri du chat syndrome are a
10 high pitched cry, low birth weight, poor muscle tone, microcephaly, and other potential
11 medical complications; and

12 WHEREAS, children born with this rare genetic defect will most likely require
13 ongoing support from a team of parents, therapists, and medical and educational
14 professionals to help them to achieve their maximum potential; and

15 WHEREAS, there are many families in Louisiana that include a child with cri du
16 chat syndrome, and there are more than one thousand such families in the country; and

17 WHEREAS, individuals with cri du chat syndrome deserve to be recognized for what
18 they can do rather than for what they cannot do; and

19 WHEREAS, because cri du chat syndrome is not well-known, it is necessary to raise
20 awareness about the effects of this syndrome on children and their families; and

1 WHEREAS, one of the goals of Cri du Chat Awareness Week is to provide people
2 with accurate information about cri du chat syndrome, especially families who have a child
3 that has been diagnosed with this syndrome.

4 THEREFORE, BE IT RESOLVED that the House of Representatives of the
5 Legislature of Louisiana does hereby recognize May 1 through 10, 2019, as Cri du Chat
6 Awareness Week and does hereby encourage all citizens of the great state of Louisiana to
7 raise awareness about cri du chat syndrome and to advocate for policies that assist persons
8 who are diagnosed with this syndrome and the families that care for them.
