The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Cheryl Serrett.

## DIGEST 2020 Regular Session

Barrow

<u>Present law</u> provides that the governing authority of each local public elementary and secondary school shall establish salary schedules to determine the pay of teachers and all other school employees.

<u>Proposed law</u> retains <u>present law</u> and additionally provides that salary schedules shall not include salary limitations based on years of experience.

Effective upon signature of the governor or lapse of time for gubernatorial action.

(Amends R.S. 17:418(A)(2))
