BY REPRESENTATIVE ZERINGUE

APPROPRIATIONS: Provides for the ordinary operating expenses of state government for  
Fiscal Year 2020-2021

1 AN ACT

2 Making annual appropriations for Fiscal Year 2020-2021 for the ordinary expenses of the  
3 executive branch of state government, pensions, public schools, public roads, public  
4 charities, and state institutions and providing with respect to the expenditure of said  
5 appropriations.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. The appropriations in this Act from state revenue shall be payable out of the  
8 sources specified and shall be limited by the provisions of Article VII, Section 10(D) of the  
9 Louisiana Constitution.

10 Section 2. All money from federal, interagency, statutory dedications, or self-generated  
11 revenues shall be available for expenditure in the amounts herein appropriated. Any increase  
12 in such revenues shall be available for allotment and expenditure by an agency on approval  
13 of an increase in the appropriation by the commissioner of administration and the Joint  
14 Legislative Committee on the Budget. Any increase in such revenues for an agency without  
15 an appropriation from the respective revenue source shall be incorporated into the agency's  
16 appropriation on approval of the commissioner of administration and the Joint Legislative  
17 Committee on the Budget. In the event that these revenues should be less than the amount  
18 appropriated, the appropriation shall be reduced accordingly. To the extent that such funds  
19 were included in the budget on a matching basis with state funds, a corresponding decrease  
20 in the state matching funds may be made. Any federal funds which are classified as disaster  
21 or emergency may be expended prior to approval of a BA-7 by the Joint Legislative

1 Committee on the Budget upon the secretary's certifying to the governor that any delay  
2 would be detrimental to the state. The Joint Legislative Committee on the Budget shall be  
3 notified in writing of such declaration and shall meet to consider such action, but if it is  
4 found by the committee that such funds were not needed for an emergency expenditure, such  
5 approval may be withdrawn and any balance remaining shall not be expended.

6 Section 3.A. Notwithstanding any other law to the contrary, the functions of any  
7 department, agency, program, or budget unit of the executive branch, except functions in  
8 departments, agencies, programs, or budget units of other statewide elected officials, may  
9 be transferred to a different department, agency, program, or budget unit for the purpose of  
10 economizing the operations of state government by executive order of the governor.  
11 Provided, however, that each such transfer must, prior to implementation, be approved by  
12 the commissioner of administration and Joint Legislative Committee on the Budget. Further,  
13 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,  
14 Organization of the Executive Branch of State Government.

15 B. In the event that any agency, budget unit, program, or function of a department is  
16 transferred to any other department, agency, program, or budget unit by other Act or Acts  
17 of the legislature, the commissioner of administration shall make the necessary adjustments  
18 to appropriations through the notification of appropriation process, or through approval of  
19 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions  
20 of the Act or Acts which provide for the transfers.

21 C. Notwithstanding any other law to the contrary and before the commissioner of  
22 administration shall authorize the purchase of any luxury or full-size motor vehicle for  
23 personal assignment by a statewide elected official other than the governor and lieutenant  
24 governor, such official shall first submit the request to the Joint Legislative Committee on  
25 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such  
26 vehicles as defined or used in rules or guidelines promulgated and implemented by the  
27 Division of Administration.

28 D. Notwithstanding any provision of law to the contrary, each agency which has  
29 contracted with outside legal counsel for representation in an action against another agency,  
30 shall submit a detailed report of all litigation costs incurred and payable to the outside

1 counsel to the commissioner of administration, the legislative committee charged with  
2 oversight of that agency, and the Joint Legislative Committee on the Budget. The report  
3 shall be submitted on a quarterly basis, each January, April, July, and October, and shall  
4 include all litigation costs paid and payable during the prior quarter. For purposes of this  
5 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the  
6 agency and of the other party if the agency was required to pay such costs and fees. The  
7 commissioner of administration shall not authorize any payments for any such contract until  
8 such report for the prior quarter has been submitted.

9 E. Notwithstanding any provision of law to the contrary, each agency may use a portion  
10 of its appropriations contained in this Act for the expenditure of funds for salaries and  
11 related benefits for smoking cessation wellness programs, including pharmacotherapy and  
12 behavioral counseling for state employees of the agency.

13 Section 4. Each schedule as designated by a five-digit number code for which an  
14 appropriation is made in this Act is hereby declared to be a budget unit of the state.

15 Section 5.A. The program descriptions, account descriptions, general performance  
16 information, and the role, scope, and mission statements of postsecondary education  
17 institutions contained in this Act are not part of the law and are not enacted into law by  
18 virtue of their inclusion in this Act.

19 B. All key and supporting performance objectives and indicators for the departments,  
20 agencies, programs, and budget units contained in the Governor's Proposed Budget  
21 Supporting Document shall be adjusted by the commissioner of administration to reflect the  
22 funds appropriated therein. The commissioner of administration shall report on these  
23 adjustments to the Joint Legislative Committee on the Budget by August 15 of the current  
24 fiscal year.

25 C. The discretionary and nondiscretionary allocations if contained in this Act are  
26 provided in accordance with R.S. 39:51(A)(3) and are to provide information to assist in  
27 legislative decision making and shall not be construed to limit the expenditures or means of  
28 financing of an agency, budget unit, or department to the discretionary or nondiscretionary  
29 amounts contained in this Act.

1 D. The expenditure category allocations contained in this Act are provided for  
2 informational purposes only from the Governor's Proposed Budget supporting documents  
3 in accordance with R.S. 39:51(C) and are to provide information to assist in legislative  
4 decision making and shall not be construed to limit the expenditures or means of financing  
5 of an agency, budget unit, or department to the expenditure category amounts contained in  
6 this Act.

7 E. The incentive programs, expenditures, and benefits contained in this Act are provided  
8 in accordance with R.S. 39:51(A)(2) and are not included as, nor counted towards, the  
9 operating expenses of the department, agency, or authority.

10 F. The prior year budget and positions contained in this Act are provided in accordance  
11 with R.S. 39:51 and are to provide information to assist in legislative decision making and  
12 shall not be construed as additional expenditures, means of financing, or positions of an  
13 agency, budget unit, or department.

14 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between  
15 departments or schedules receiving appropriations. However, any unencumbered funds  
16 which accrue to an appropriation within a department or schedule of this Act due to policy,  
17 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner  
18 of administration and the Joint Legislative Committee on the Budget, be transferred to any  
19 other appropriation within that same department or schedule. Each request for the transfer  
20 of funds pursuant to this Section shall include full written justification. The commissioner  
21 of administration, upon approval by the Joint Legislative Committee on the Budget, shall  
22 have the authority to transfer between departments funds associated with lease agreements  
23 between the state and the Office Facilities Corporation. The commissioner of administration  
24 shall, in accordance with R.S. 15:827.3, transfer between departments or schedules of this  
25 Act any unencumbered funds which accrue to an appropriation due to the prior year savings  
26 achieved as a result of legislation relative to the criminal justice system enacted in the 2017  
27 Regular Session of the Legislature.

28 B. In conjunction with the continuing assessment of the existing staff, assets, contracts,  
29 and facilities of each department, agency, program or budget unit's information technology  
30 resources and procurement resources, upon completion of this assessment and to the extent

1 optimization of these resources will result in the projected cost savings through staff  
2 reductions, realization of operational efficiencies, cost avoidance, and elimination of asset  
3 duplication, the commissioner of administration is authorized to transfer the functions,  
4 positions, assets, and funds from any other department, agency, program, or budget units  
5 related to these optimizations to a different department. The provisions of this Subsection  
6 shall not apply to the Department of Culture, Recreation and Tourism, or any agency  
7 contained in Schedule 04, Elected Officials, of this Act.

8 C. The commissioner of administration shall review all existing leases for office and  
9 warehouse space and compare the rent per square foot of such space to the market rent of  
10 similar space in the same market. The commissioner of administration is authorized and  
11 directed to renegotiate all leases that are in excess of the market rent to bring the rent in line  
12 with the market rent. The commissioner of administration, upon approval of the Joint  
13 Legislative Committee on the Budget, shall have the authority to transfer between  
14 departments funds from any savings from renegotiated leases.

15 Section 7. The state treasurer is hereby authorized and directed to use any available  
16 funds on deposit in the state treasury to complete the payment of General Fund  
17 appropriations for the current fiscal year. In order to conform to the provisions of P.L. 101-  
18 453, the Cash Management Improvement Act of 1990, and in accordance with the agreement  
19 executed between the state and Financial Management Services, a division of the U.S.

21 appropriations prior to the receipt of funds from the U.S. Treasury.

22 Section 8.A.(1) The figures in parentheses following the designation of a program are  
23 the total authorized positions and authorized other charges positions for that program. If  
24 there are no figures following a department, agency, or program, the commissioner of  
25 administration shall have the authority to set the number of positions.

26 (2) The commissioner of administration, upon approval of the Joint Legislative  
27 Committee on the Budget, shall have the authority to transfer positions between departments,  
28 agencies, or programs or to increase or decrease positions and associated funding necessary  
29 to effectuate such transfers.

1       (3) The number of authorized positions and authorized other charges positions approved  
2 for each department, agency, or program as a result of the passage of this Act may be  
3 increased by the commissioner of administration in conjunction with the transfer of  
4 functions or funds to that department, agency, or program when sufficient documentation  
5 is presented and the request deemed valid.

6       (4) The number of authorized positions and authorized other charges positions approved  
7 in this Act for each department, agency, or program may also be increased by the  
8 commissioner of administration when sufficient documentation of other necessary  
9 adjustments is presented and the request is deemed valid. The total number of such positions  
10 so approved by the commissioner of administration may not be increased in excess of three  
11 hundred fifty. However, any request which reflects an annual aggregate increase in excess  
12 of twenty-five positions for any department, agency, or program must also be approved by  
13 the Joint Legislative Committee on the Budget.

14       B. Orders from the Civil Service Commission or its designated referee which direct an  
15 agency to pay attorney fees for a successful appeal by an employee may be paid out of an  
16 agency's appropriation from the expenditure category professional services; provided,  
17 however, that an individual expenditure pursuant to this Subsection may not exceed \$1,500  
18 in accordance with Civil Service Rule 13.35(a).

19       C. The budget request of any agency with an appropriation level of thirty million dollars  
20 or more shall include, within its existing table of organization, positions which perform the  
21 function of internal auditing, including the position of a chief audit executive. The chief  
22 audit executive shall be responsible for ensuring that the internal audit function adheres to  
23 the Institute of Internal Auditors, International Standards for the Professional Practice of  
24 Internal Auditing. The chief audit executive shall maintain organizational independence in  
25 accordance with these standards and shall have direct and unrestricted access to the  
26 commission, board, secretary, or equivalent head of the agency. The chief audit executive  
27 shall certify to the commission, board, secretary, or equivalent head of the agency that the  
28 internal audit function conforms to the Institute of Internal Auditors, International Standards  
29 for the Professional Practice of Internal Auditing.

1       D. In the event that any cost assessment allocation proposed by the Office of Group  
2       Benefits becomes effective during the current fiscal year, each budget unit contained in this  
3       Act shall pay out of its appropriation an amount no less than 75% of total premiums for all  
4       active employees and those retirees with Medicare in accordance with R.S. 42:851(D)(1) for  
5       the state basic health insurance indemnity program.

6       E. In the event that any cost allocation or increase recommended by the Public  
7       Retirement Systems' Actuarial Committee through adoption of a valuation submitted to the  
8       Joint Legislative Committee on the Budget and the House and Senate committees on  
9       retirement becomes effective before or during the current fiscal year, each budget unit shall  
10      pay out of its appropriation funds necessary to satisfy the requirements of such increase.

11      Section 9. In the event the governor shall veto any line item expenditure and such veto  
12      shall be upheld by the legislature, the commissioner of administration shall withhold from  
13      the department's, agency's, or program's funds an amount equal to the veto. The  
14      commissioner of administration shall determine how much of such withholdings shall be  
15      from the state General Fund.

16      Section 10.A. Pursuant to Article IV, Section 5(G)(2) and Article VII, Section 10(F) of  
17      the Louisiana constitution, if at any time during the current fiscal year the official budget  
18      status report indicates that appropriations will exceed the official revenue forecast, the  
19      governor shall have full power to reduce appropriations in accordance with R.S. 39:75. The  
20      governor shall have the authority to make adjustments to other means of financing and  
21      positions necessary to balance the budget as authorized by R.S. 39:75(C).

22      B. The governor shall have the authority within any month of the fiscal year to direct  
23      the commissioner of administration to disapprove warrants drawn upon the state treasury for  
24      appropriations contained in this Act which are in excess of amounts approved by the  
25      governor in accordance with R.S. 39:74.

26      C. The governor may also, and in addition to the other powers set forth herein, issue  
27      executive orders in a combination of any of the foregoing means for the purpose of  
28      preventing the occurrence of a deficit.

29      Section 11. Notwithstanding the provisions of Section 2 of this Act, the commissioner  
30      of administration shall make such technical adjustments as are necessary in the interagency

1 transfers means of financing and expenditure categories of the appropriations in this Act to  
2 result in a balance between each transfer of funds from one budget unit to another budget  
3 unit in this Act. Such adjustments shall be strictly limited to those necessary to achieve this  
4 balance and shall in no way have the effect of changing the intended level of funding for a  
5 program or budget unit of this Act.

6 Section 12.A. For the purpose of paying appropriations made herein, all revenues due  
7 the state in the current fiscal year shall be credited by the collecting agency to the current  
8 fiscal year provided such revenues are received in time to liquidate obligations incurred  
9 during the current fiscal year.

10 B. A state board or commission shall have the authority to expend only those funds that  
11 are appropriated in this Act, except those boards or commissions which are solely supported  
12 from private donations or which function as port commissions, levee boards or professional  
13 and trade organizations.

14 Section 13.A. Notwithstanding any other law to the contrary, including any provision  
15 of any appropriation act or any capital outlay act, no constitutional requirement or special  
16 appropriation enacted at any session of the legislature, except the specific appropriations acts  
17 for the payment of judgments against the state, of legal expenses, and of back supplemental  
18 pay, the appropriation act for the expenses of the judiciary, and the appropriation act for  
19 expenses of the legislature, its committees, and any other items listed therein, shall have  
20 preference and priority over any of the items in the General Appropriation Act or the Capital  
21 Outlay Act for any fiscal year.

22 B. In the event that more than one appropriation is made in this Act which is payable  
23 from any specific statutory dedication, such appropriations shall be allocated and distributed  
24 by the state treasurer in accordance with the order of priority specified or provided in the law  
25 establishing such statutory dedication and if there is no such order of priority such  
26 appropriations shall be allocated and distributed as otherwise provided by any provision of  
27 law including this or any other act of the legislature appropriating funds from the state  
28 treasury.

29 C. In accordance with R.S. 49:314(B)(1) and (2) appropriations from the Transportation  
30 Trust Fund in the General Appropriation Act and the Capital Outlay Act shall have equal

1 priority. In the event revenues being received in the state treasury and being credited to the  
2 fund which is the source of payment of any appropriation in such acts are insufficient to fully  
3 fund the appropriations made from such fund source, the treasurer shall allocate money for  
4 the payment of warrants drawn on such appropriations against such fund source during the  
5 fiscal year on the basis of the ratio which the amount of such appropriation bears to the total  
6 amount of appropriations from such fund source contained in both acts.

7 Section 14. Pay raises or supplements provided for by this Act shall in no way supplant  
8 any local or parish salaries or salary supplements to which the personnel affected would be  
9 ordinarily entitled.

10 Section 15. Any unexpended or unencumbered reward monies received by any state  
11 agency during prior fiscal years pursuant to the Exceptional Performance and Efficiency  
12 Incentive Program may be carried forward for expenditure from the prior fiscal year to the  
13 current fiscal year, in accordance with the respective resolution granting the reward. The  
14 commissioner of administration shall implement any internal budgetary adjustments  
15 necessary to effectuate incorporation of these monies into the respective agencies' budgets  
16 for the current fiscal year, and shall provide a summary list of all such adjustments to the  
17 Joint Legislative Committee on the Budget by August 31 of the current fiscal year.

18 Section 16. Should any section, subsection, clause, sentence, phrase, or part of the Act  
19 for any reason be held, deemed or construed to be unconstitutional or invalid, such decisions  
20 shall not affect the remaining provisions of the Act, and the legislature hereby declares that  
21 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part  
22 thereof, irrespective of the fact that one or more of the sections, subsections, clauses,  
23 sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the  
24 provisions of this Act are hereby declared severable.

25 Section 17.A. All BA-7 budget transactions, including relevant changes to performance

28 commissioner of administration and the Joint Legislative Committee on the Budget shall be  
29 submitted to the commissioner of administration, Joint Legislative Committee on the  
30 Budget, and Legislative Fiscal Office a minimum of sixteen working days prior to

1 consideration by the Joint Legislative Committee on the Budget. Each submission must  
2 include full justification of the transaction requested, but submission in accordance with this  
3 deadline shall not be the sole determinant of whether the item is actually placed on the  
4 agenda for a hearing by the Joint Legislative Committee on the Budget. Transactions not  
5 submitted in accordance with the provisions of this Section shall be considered by the  
6 commissioner of administration and Joint Legislative Committee on the Budget only when  
7 extreme circumstances requiring immediate action exist.

8 B. Notwithstanding any contrary provision of this Act or any contrary provision of law,  
9 no funds appropriated by this Act shall be released or provided to any recipient of an  
10 appropriation made in this Act if, when, and for as long as, the recipient fails or refuses to  
11 comply with the provisions of R.S. 24:513. No recipient shall be considered to fail or refuse  
12 to comply with the provisions of R.S. 24:513 pursuant to this Section during any extension  
13 of time granted by the legislative auditor or the Legislative Audit Advisory Council. The  
14 legislative auditor may grant a recipient, for good cause shown, an extension of time to  
15 comply with the provisions of R.S. 24:513. The Legislative Audit Advisory Council may  
16 grant additional extensions of time to comply with the provisions of R.S. 24:513 for recipient  
17 entities of an appropriation contained in this Act with recommendation by the legislative  
18 auditor pursuant to R.S. 39:72.1.

19 Section 18.A. Except for the conditions set forth in Subsection B of this Section, the  
20 following sums or so much thereof as may be necessary are hereby appropriated out of any  
21 monies in the state treasury from the sources specified; from federal funds payable to the  
22 state by the United States Treasury; or from funds belonging to the State of Louisiana and/or  
23 collected by boards, commissions, departments, and agencies thereof, for purposes specified  
24 herein for the current fiscal year. Funds appropriated to auxiliary accounts herein shall be  
25 from prior and current year collections, with the exception of state General Fund (Direct).  
26 The commissioner of administration is hereby authorized and directed to correct the means  
27 of financing and expenditures for any appropriation contained in Schedule 20-901 Sales Tax  
28 Dedications to reflect current law enacted in any session of the Legislature which affects any  
29 such means of financing or expenditure. Further provided with regard to auxiliary funds,  
30 that excess cash funds, excluding cash funds arising from working capital advances, shall

1 be invested by the state treasurer with the interest proceeds therefrom credited to each  
2 account and not transferred to the state General Fund. This Act shall be subject to all  
3 conditions set forth in Title 39 of the Louisiana Revised Statutes of 1950 as amended.

4 B.(1) No funds appropriated in this Act shall be transferred to a public or quasi-public  
5 agency or entity which is not a budget unit of the state unless the intended recipient of those  
6 funds submits, for approval, a comprehensive budget to the legislative auditor and the  
7 transferring agency showing all anticipated uses of the appropriation, an estimate of the  
8 duration of the project, and a plan showing specific goals and objectives for the use of such  
9 funds, including measures of performance. In addition, and prior to making such  
10 expenditure, the transferring agency shall require each recipient to agree in writing to  
11 provide written reports to the transferring agency at least every six months concerning the  
12 use of the funds and the specific goals and objectives for the use of the funds. In the event  
13 the transferring agency determines that the recipient failed to use the funds set forth in its  
14 budget within the estimated duration of the project or failed to reasonably achieve its  
15 specific goals and objectives for the use of the funds, the transferring agency shall demand  
16 that any unexpended funds be returned to the state treasury unless approval to retain the  
17 funds is obtained from the division of administration and the Joint Legislative Committee  
18 on the Budget. Each recipient shall be audited in accordance with R.S. 24:513. If the  
19 amount of the public funds received by the provider is below the amount for which an audit  
20 is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of  
21 the funds to ensure effective achievement of the goals and objectives. The transferring  
22 agency shall forward to the legislative auditor, the division of administration, and the Joint  
23 Legislative Committee on the Budget a report showing specific data regarding compliance  
24 with this Section and collection of any unexpended funds. This report shall be submitted no  
25 later than May 1 of the current fiscal year.

26 (2) Transfers to public or quasi-public agencies or entities that have submitted a budget  
27 request to the division of administration in accordance with Part II of Chapter 1 of Subtitle  
28 1 of Title 39 of the Louisiana Revised Statutes of 1950 and transfers authorized by specific  
29 provisions of the Louisiana Revised Statutes of 1950 and the Constitution of the State of

Louisiana to local governing authorities shall be exempt from the provisions of this Subsection.

(3) Notwithstanding any other provision of law or this Act to the contrary, if the name of an entity subject to this Subsection is misspelled or misstated in this Act or any other Act, the state treasurer may pay the funds appropriated to the entity without obtaining the approval of the Joint Legislative Committee on the Budget, but only after the entity has provided proof of its correct legal name to the state treasurer and transmitted a copy to the staffs of the House Committee on Appropriations and the Senate Committee on Finance.

C. The Louisiana Department of Health shall continue to provide for immunizations in those parish health units which receive any funding from local governmental sources.

D. All departments containing appropriations out of means of financing designated as coming from prior and current year collections shall report all prior year balances to the Joint Legislative Committee on the Budget at its first meeting held after October 15 of the current fiscal year.

Section 19. Notwithstanding any provision of law to the contrary, the department shall purchase medical services for consumers in the most cost effective manner. Notwithstanding any law to the contrary and specifically R.S. 39:82(E), for Fiscal Year 2020-2021 any over-collected funds, including interagency transfers, fees and self-generated revenues, federal funds, and surplus statutory dedicated funds generated and collected by any agency in Schedule 09 for Fiscal Year 2019-2020 may be carried forward and expended in Fiscal Year 2020-2021 in the Medical Vendor Program. Revenues from refunds and recoveries in the Medical Vendor Program are authorized to be expended in Fiscal Year 2020-2021. No such carried forward funds, which are in excess of those appropriated in this Act, may be expended without the express approval of the Division of Administration and the Joint Legislative Committee on the Budget.

Notwithstanding any law to the contrary, the secretary of the Louisiana Department of Health may transfer, with the approval of the commissioner of administration via midyear budget adjustment (BA-7 Form), up to twenty-five (25) authorized positions and associated personal services funding if necessary from one budget unit to any other budget unit and/or between programs within any budget unit within this schedule. Not more than an aggregate of one-hundred (100) positions and associated personal services may be transferred between budget units and/or programs within a budget unit without the approval of the Joint Legislative Committee on the Budget.

Notwithstanding any provision of law to the contrary, the department shall not be under any obligation to perform any of the services as described in R.S. 46:2116, et seq., and may utilize other revenue sources to provide these services if available. Expenditure Controls:

Provided, however, that the Louisiana Department of Health may, to control expenditures to the level appropriated herein for the Medical Vendor Payments program, negotiate supplemental rebates for the Medicaid pharmacy program in conjunction with the preferred drug list. In these negotiations, the preferred drug list may be adjusted to limit brand name drug products in each therapeutic category while ensuring appropriate access to medically necessary medication.

Provided, however, that the Louisiana Department of Health shall continue with the implementation of sustainability strategies to control the costs of the Intellectual/Developmental Disabilities Home and Community Based Waivers in order that the continued provision of Community Based Waivers for the citizens with developmental disabilities is not jeopardized.

Provided, however, that the Louisiana Department of Health shall only make Title XIX payments to public private partners in accordance with its budget allocation after appropriation by this body.

Public provider participation in financing:

The Louisiana Department of Health hereinafter the "department", shall only make Title XIX (Medicaid) claim payments to non-state public hospitals, that certify matching funds for their Title XIX claim payments and provide certification of incurred uncompensated care costs (UCC) that qualify for public expenditures which are eligible for federal financial participation under Title XIX of the Social Security Act to the department. The certification for Title XIX claims payment match and the certification of UCC shall be in a form satisfactory to the department and provided to the department no later than October 1, 2020. Non-state public hospitals, that fail to make such certifications by October 1, 2020, may not receive Title XIX claim payments or any UCC payments until the department receives the required certifications. The Department may exclude certain non-state public hospitals from this requirement in order to implement alternative supplemental payment initiatives or alternate funding initiatives, or if a hospital that is solely owned by a city or town has changed its designation from a non-profit private hospital to a non-state public hospital between January 1, 2010 and June 30, 2014.

In order for a hospital to receive any Medicaid payments in addition to inpatient and outpatient claims payments, the hospital must provide to the department, claim level data for Title XIX, XXI, and uninsured clients as specified by the department.
