## DIGEST 2020 Regular Session

SB 252 Original

Carter

<u>Present law</u> requires individuals who apply for a driver's license to submit written evidence of successful completion of either a "driver education course" or "prelicensing training course".

<u>Present law</u> requires the Department of Public Safety and Corrections, public safety services, to establish rules and regulations to administer and define the requirements of driver education and prelicensing training courses.

<u>Proposed law</u> retains <u>present law</u> and requires driver education and prelicensing training courses to include course content relative to accessible parking and access aisles.

<u>Present law</u> requires individuals, as part of the application procedure to obtain a license to operate a motor vehicle, to pass a road knowledge test which includes rules of the road, signs, and signals, sharing the road with motorcycles and tractor/trailer trucks, economic effects of littering, distracted driving, trailer safety, appropriate driver conduct when stopped by a law enforcement officer, not less than two questions relative to railroad and highway grade crossing safety, and knowledge of all relevant traffic regulations.

<u>Proposed law</u> retains <u>present law</u> and adds requirement that the road knowledge test include knowledge of accessible parking and access aisles. Effective January 1, 2021.
