SB 376 Original	DIGEST 2020 Regular Session	Cloud
-----------------	--------------------------------	-------

Present law provides that the secretary of DOTD shall promulgate rules and regulations to implement fees and weight for special permits that are issued annually to transporters of heavy equipment.

Proposed law retains present law and further provides that the DOTD shall allow a single transfer of any annual, semi-annual and single trip permit to another eligible truck and trailer that is owned and operated by the same permittee during the term of the permit.

Effective August 1, 2020.
