EXPENDITURE EXPLANATION
Proposed law may result in an indeterminable increase in Local Funds expenditures to local governing authorities if a person is convicted of the crime of unlawful use of an unmanned aircraft system. The maximum imprisonment term is two years (present law is six months). The number of individuals that may be convicted of this crime is indeterminable.

Proposed law may result in an indeterminable increase in SGF expenditures to the Department of Public Safety and Corrections and - Corrections Services if a person is convicted for a second or subsequent offense of the crime unlawful use of an unmanned aircraft system. The maximum imprisonment term is five years (present law is one year) with or without hard labor. The number of individuals that may be convicted of this crime is indeterminable.

SGF expenditures will increase by \$67.44 per offender per day if an offender is housed in a state facility or \$26.39 for a state offender housed in a local facility. An offender sentenced to the custody of the DPSC - CS for one year would increase SGF expenditures by \$24,615.60 (\$67.44 per day x 365 days) if housed in a state facility and \$9,632.35 (\$26.39 per day x 365 days) if housed in a local facility. Approximately 50% of state offenders are housed in state facilities and approximately 50% are housed in local facilities.

REVENUE EXPLANATION
Proposed law may result in an indeterminable increase in Local Funds revenues as a result of potential fines for the crime unlawful use of an unmanned aircraft system. The maximum fine for this crime is \$5,000 (present law is \$500).

Proposed law may result in an indeterminable increase in Local Funds revenues as a result of potential fines for the crime unlawful use of an unmanned aircraft system. The maximum fine for a second or subsequent offense for this crime is \$20,000 (present law is \$2,000).

The potential revenue will accrue to local governing authorities.

The number of individuals that may be convicted of this crime is indeterminable.
