

HOUSE SUMMARY OF SENATE AMENDMENTS

HB 415

2023 Regular Session

Amedee

BANKS/BANKING: Provides relative to central bank digital currency

Synopsis of Senate Amendments

1. Clarifies the definition of "central bank digital currency" in proposed law to include that a central bank digital currency is issued by the U.S. Federal Reserve System or a U.S. federal agency.

Present law defines "deposit account" and provides that a deposit account does not include investment property or accounts evidenced by an instrument.

Proposed law retains present law and adds that a deposit account does not include a central bank digital currency.

Proposed law defines the term "central bank digital currency".
