## DIGEST

SB 427 Original

2024 Regular Session

Miguez

<u>Present law</u> provides for "historical horse racing" as a form of horse racing that creates pari-mutuel pools from wagers placed on horse races previously run at a pari-mutuel facility licensed in the United States; concluded with official results; and concluded without scratches, disqualifications, or dead-heat finishes through machines permitted and authorized by the commission.

Proposed law makes technical changes by replacing all references from "historical" to "historic".

Effective upon signature of the governor or lapse of time for gubernatorial action.
