10 On page 7 between lines 7 and 8, insert the following:

11 (a)(b) In the event a member begins receiving worker's compensation payments and  
12 the municipality reduces the salary being paid by them, the municipality shall deduct  
13 contributions from the reduced salary being paid and state supplemental pay in an amount  
14 equal to that which would have been deducted had the member not received worker's  
15 compensation payments and continued to receive his full salary by the municipality and state  
16 supplemental pay, provided the reduced salary is sufficient to cover the full deduction.

17 ~~(b)(c)~~ In the event the reduced salary paid by the municipality is not sufficient to  
18 cover the deduction of employee contributions equal to that which would have been  
19 deducted had the member not begun receiving worker's compensation payments, the member  
20 may elect to pay the deficit to make whole the amount due each and every payroll period  
21 directly to the municipality to be forwarded to the retirement system. If the member does  
22 not elect to pay the deficit to make whole the amount that would have been deducted had he  
23 not begun receiving worker's compensation, that member, for such periods, shall receive  
24 service credit for eligibility determination purposes only and not for computation of benefits.  
25 Beginning on July 1, 2021, if the member does not pay the deficit to make whole the amount  
26 that would have been deducted pursuant to this Section for service each and every pay  
27 period, the member shall not receive service credit for the period in which the deficit was  
28 not paid."
