HB 43 Reengrossed

2024 Regular Session

Bacala

Abstract: Provides relative to the Municipal Police Employees' Retirement System (MPERS) including provisions for: deadlines for submission of member information and reports; service on the MPERS board of trustees; and requirements for annual contribution reports.

Proposed law requires MPERS employers to submit to the retirement system a fully completed membership enrollment form, a copy of the birth certificate and Social Security card for each member it employs and his beneficiaries within 90 days after employment.

Present law requires an employee to have a physical examination and further requires that the examination and the execution of any waivers of preexisting conditions or history be received by the system within six months after employment.

Proposed law changes the deadline for submitting the physical examination to the system to 90 days after employment.

Present law provides that the MPERS system is governed by a board of trustees comprised of 15 members. Board membership includes seven active contributing members, four of whom shall be police chiefs and three of whom shall not be chiefs.

Proposed law provides that if such a member of the board with no more than two years left in his term becomes a retiree of the system or is no longer a police chief, he shall continue to serve as a member of the board until the expiration of the term for which he was elected.

Proposed law requires a municipality that employed a police officer or chief within the previous five fiscal years to submit reports to the system as follows:

- (1) Reports shall be submitted annually by June 30.
- (2) The reports shall include the amount of earnable compensation per employee and shall separately report state supplemental pay and the amount of compensation paid for overtime. The report shall include other information prescribed by the board.
- (3) If a report is in error as to the earnable compensation of any member and such an error results in an overpayment of benefits by the system, the municipality shall reimburse the system for the overpayments within 30 days after notification of the discovery of the error or overpayment.

Effective July 1, 2024.

(Amends R.S. 11:2214(A)(2)(a) and (d)(ii), 2225(A)(3)(a), 2225.4(A)(1), (B)(1), and (C)(1), and 2227(A) and (B)(1))
