The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Amanda Trapp.

SB 414 Engrossed

DIGEST 2024 Regular Session

Bass

<u>Present law</u> authorizes the installation of a newborn safety device in a designated emergency care facility that is physically located inside of a licensed hospital and has an emergency department that is staffed 24 hours per day.

<u>Proposed law</u> authorizes the installation of the device in any designated emergency care facility that is manned continuously on a 24 hour basis, seven days a week, and 365 days a year by an emergency response provider who is certified in neonatal resuscitation and pediatric advanced life support.

Effective August 1, 2024.

(Amends Ch.C. Art. 1151(A)(1) and 1152(A)(2))

Summary of Amendments Adopted by Senate

Committee Amendments Proposed by Senate Committee on Health and Welfare to the original bill

1. Adds requirements for facilities that install a device.
