<u>Proposed law</u> provides as grounds for mandatory expulsion the following, a blade equal to or in excess of two and one-half inches in length, or any illegal narcotic, drug or other controlled substance. Further provides that mandatory expulsion is to occur if the student has already been expelled for three other offenses that are not related to dress codes or tardiness.

<u>Present law</u> provides that any student expelled from school may be readmitted on a probationary basis to school at any time during the specified period of expulsion on terms and conditions as may be stipulated by the local public school board and agreed to in writing by the student and by the student's parent or guardian.
