SB 490 Reengrossed

DIGEST
2024 Regular Session

Cathey

Proposed law requires municipalities or parish government that owns a drainage system, a sewer system, or a water system to become a member of, participate in or share cost in a regional notification center.

Present law requires that regional notification centers provide certain information to a governing authority relative to certain excavation or demolition of underground utilities and facilities.

Proposed law requires that notification center furnish this information to governing authorities.

Present law provides that failure of the governing authority to distribute the information shall not for that reason alone create any liability on the part of the governing authority or permittee nor otherwise reduce or limit the duties and responsibilities of excavators or demolishers.

Proposed law provides that failure to furnish this information does not for that reason alone create any liability on the part of the governing authority or permittee nor otherwise reduce or limit the duties and responsibilities of excavators or demolishers.

Effective August 1, 2024.
