

RÉSUMÉ DIGEST

ACT 564 (HB 505)

2024 Regular Session

Fontenot

New law (C.Cr.P. Art. 311(11)) defines "electronic bonds".

New law (C.Cr.P. Art. 328(C)) provides that an electronic bond may be executed in a parish that has electronic bond software in place, and the sheriff may approve agents to execute the bond.

New law provides that a licensed bail bond producer applying for electronic bond authority may make an application to the sheriff and shall be domiciled and maintain a principal place of business in this state and possess a La. bail bond producer license for at least three years preceding the date of application.

New law provides that the approving sheriff authority may require any documents deemed necessary to verify the information contained in the application.

Effective August 1, 2024.
