

RÉSUMÉ DIGEST

ACT 63 (SB 377)

2024 Regular Session

Kleinpeter

Existing law prohibits a person from possessing or carrying a concealed weapon if he has been convicted of, or been found not guilty by reason of insanity for, a crime of violence that is a felony, certain burglary offenses, felony illegal uses of weapons, manufacture or possession of a bomb or incendiary device, possession of a firearm during the commission of certain drug offenses, any sex offense, any crime defined as an attempt to commit one of these offenses, or who has been convicted under the laws of another jurisdiction of a crime that, if committed in La., would be one of these crimes.

New law retains existing law and extends this prohibition to a person who committed a felony-grade delinquent act provided for in existing law when that person was 15 or 16 years old and the person was under the age of 22 years when the offense was committed.

New law does not apply to any person who has been accepted into military service as a member of any of the branches of the armed forces of the U.S., the reserve components of the armed forces of the U.S., or the La. National Guard.

Effective August 1, 2024.
