HB 412 Engrossed

2025 Regular Session

Romero

Abstract: Provides that each alternative nicotine product manufacturer provide proof that a copy of the cover page of its premarket tobacco application was submitted on or before April 14, 2022, along with evidence that the product was on the market in the U.S. as of May 14, 2022.

Present law provides that every vapor product manufacturer and alternative nicotine product manufacturer shall execute and deliver a certification detailing certain information to the commissioner of alcohol and tobacco prior to selling its products in the state.

Present law provides that every vapor product manufacturer and alternative nicotine product manufacturer whose products are sold in this state shall deliver a copy of the cover page of its premarket tobacco application indicating that it was submitted to the FDA on or before Sept. 9, 2020, along with evidence that the product was on the market in the U.S. as of Aug. 8, 2016.

Proposed law retains present law with regard to vapor product manufacturers.

Present law provides that every alternative nicotine product manufacturer whose products are sold in this state shall deliver a copy of the cover page of its premarket tobacco application indicating that it was submitted to the FDA on or before May 14, 2022, along with evidence that the product was on the market in the U.S. as of April 14, 2022.
