1 A CONCURRENT RESOLUTION

2 To create the Hazing Prevention Task Force to evaluate the effectiveness of state anti-hazing

10 that provide penalties, which include jail time and fines for hazing deaths or serious bodily

11 injuries; and

12 WHEREAS, even with such strong laws, Louisiana continues to experience hazing

13 incidents that result in the death and serious bodily injury of students; and

14 WHEREAS, although illegal, hazing incidents can occur as part of the intake process

15 of various student organizations, including fraternities, sororities, bands, and athletic teams;
