EXPENDITURE EXPLANATION

Proposed law may result in an increase in expenditures by the State Licensing Board for Contractors. A representative of the board indicates there may be some one-time, minimal costs associated with transferring the council to the board, such as purchasing material necessary for the council members and meetings. The board reports they would be able to absorb these costs with existing self-generated revenues.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
