

SENATE RESOLUTION NO. 102

BY SENATORS STINE, ABRAHAM AND REESE

A RESOLUTION

To designate Tuesday, May 13, 2025, as Southwest Louisiana Day at the Louisiana State Capitol.

WHEREAS, Southwest Louisiana has played an integral role in the economy and energy development in Louisiana; and

WHEREAS, Southwest Louisiana has \$146 billion in announced projects, including the historic \$17.5 billion Woodside Energy project which was announced in April 2025, and currently has \$18 billion in projects underway; and

WHEREAS, Southwest Louisiana is home to nine liquified natural gas projects that are in production, under construction, and in the pipeline; and

WHEREAS, the citizens of Southwest Louisiana have persevered through natural disasters to quickly reestablish the economic pipeline of products and materials needed for the national economy.

THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana does hereby designate Tuesday, May 13, 2025, as Southwest Day at the Louisiana State Capitol and does hereby express appreciation for the contributions that the industries of Southwest Louisiana have provided for the state of Louisiana.

PRESIDENT OF THE SENATE
