Subject: Capital Outlay - Public Contracts		

PUBLIC CONTRACTS RE1 NO IMPACT See Note Page 1 of 1
 Prohibits the state and any of its political subdivisions or agencies from using price or price-related information as a factor in the selection of architectural and engineering professional services for certain projects
 Present law establishes a policy for the state, its political subdivisions, and its agencies to select architectural and engineering professional services based on competence and qualifications for a fair and reasonable price. Present law prohibits the state and its political subdivisions or agencies from selecting architects, engineers, landscape architects, and land surveyors from using price or price-related information as a factor in the selection. Proposed legislation modifies present law by specifying this applies to projects using state or local funding and by extending this prohibition to persons contracted by the state, its political subdivisions, or agencies, as well as to persons contracted through them.
