<b>Subject:</b> Unlawful Use of an Unmanned Aircraft System		

CRIME RE SEE FISC NOTE GF EX Page 1 of 1  
 Provides relative to unlawful use of an unmanned aircraft system

Current law provides for the crime of unlawful use of an unmanned aircraft system. Proposed law adds definitions for the terms "mitigation measures" and "nefarious manner"; authorizes a law enforcement officer or agency to take reasonable and necessary mitigation measures against a threat posed by an unmanned aircraft system operating within this state in a nefarious manner, and that those measures may include use of detection, tracking, and identification methods, and the interception or disabling of an unmanned aircraft system through legal and safe methods, including but not limited to jamming, hacking, or physical capture; provides that a law enforcement officer or agency shall act if there is reasonable suspicion that the unmanned aircraft system is involved in criminal activity, poses an imminent threat to public safety, or is otherwise operating in violation of state or federal law; creates the crime of unlawful use of an unmanned aircraft system at a parade; makes it unlawful to use an unmanned aircraft system by an unauthorized person over any parade or parade route for which a permit is issued by a governmental entity; assesses a fine of no less than \$2,000 nor more than \$5,000, or imprisonment for one year, with or without hard labor, or both, for those convicted of unlawful use of an unmanned aircraft system at a parade.

EXPENDITURES	2025-26	2026-27	2027-28	2028-29	2029-30	5 -YEAR TOTAL
State Gen. Fd.	\$0	\$0	\$0	\$0	\$0	\$0

<b>Annual Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>

**EXPENDITURE EXPLANATION**

Proposed law may result in an indeterminable increase in SGF expenditures in the Department of Public Safety & Corrections - Corrections Services, to the extent that a person sustains a conviction for unlawful use of an unmanned aircraft system at a parade. The exact fiscal impact of the passage of this legislation to state or local governing authorities is indeterminable, since it creates a crime, and it is not known how many people will be convicted, nor the length of the sentences assessed as a result of its potential enactment. Proposed law is a relative felony, and any impact on either state or local expenditures is contingent on whether offenders sustain either misdemeanor or felony-grade convictions for its violation.

To the extent that offenders sustain a felony-grade conviction for violation of the proposed law, DPS&C-CS will sustain an indeterminable increase in expenditures at the local level. For those convicted, sentenced, and then subsequently housed in a state facility, DPS&C-CS will sustain expenditures of \$107.60 per offender per day. For those housed in local facilities, DPS&C-CS will sustain expenditures of \$26.39 per offender per day. DPS&C-CS advises that impacts on offender populations are anticipated to impact the number of offenders held in local facilities, and that in managing its offender population, it seeks to fill all beds in state facilities first, then assigns overflow offenders to local facilities.

To the extent that offenders sustain a misdemeanor conviction for violation of the proposed law, local governing authorities will sustain Local Funds expenditures. The exact fiscal impact of the passage of this legislation to local governing authorities is indeterminable, since it is not known how many people will be convicted and incarcerated in local facilities, nor the length of the sentences assessed with those convictions as a result of its potential enactment. The maximum imprisonment term is no more than one year.

**REVENUE EXPLANATION**

Proposed law may result in an indeterminable increase in local revenues as a result of convictions of unlawful use of an unmanned aircraft system at a parade. The exact fiscal impact of the passage of this legislation on local revenue is indeterminable, as the fines that would be imposed on those convicted are optional, and the amount of fines, if imposed, may vary. The potential revenue will accrue to the local governing authority.

Senate Dual Referral Rules  
 13.5.1 >= \$100,000 Annual Fiscal Cost {S & H}  
 13.5.2 >= \$500,000 Annual Tax or Fee Change {S & H}

House  
 6.8(F)(1) >= \$100,000 SGF Fiscal Cost {H & S}  
 6.8(G) >= \$500,000 Tax or Fee Increase or a Net Fee Decrease {S}
