2025 Regular Session

HOUSE BILL NO. 1

BY REPRESENTATIVE MCFARLAND

APPROPRIATIONS: Provides for the ordinary operating expenses of state government for
Fiscal Year 2025-2026

1 AN ACT

2 Making annual appropriations for Fiscal Year 2025-2026 for the ordinary expenses of the
3 executive branch of state government, pensions, public schools, public roads, public
4 charities, and state institutions and providing with respect to the expenditure of said
5 appropriations.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. The appropriations in this Act from state revenue shall be payable out of the
8 sources specified and shall be limited by the provisions of Article VII, Section 10(D) of the
9 Louisiana Constitution.

10 Section 2.A. All money from federal, interagency, statutory dedications, or self-
11 generated revenues shall be available for expenditure in the amounts herein appropriated.
12 Any increase in such revenues shall be available for allotment and expenditure by an agency
13 on approval of an increase in the appropriation by the commissioner of administration and
14 the Joint Legislative Committee on the Budget. Any increase in such revenues for an agency
15 without an appropriation from the respective revenue source shall be incorporated into the
16 agency's appropriation on approval of the commissioner of administration and the Joint
17 Legislative Committee on the Budget. In the event that these revenues should be less than
18 the amount appropriated, the appropriation shall be reduced accordingly. To the extent that
19 such funds were included in the budget on a matching basis with state funds, a corresponding
20 decrease in the state matching funds may be made. Any federal funds which are classified
21 as disaster or emergency may be expended prior to approval of a BA-7 by the Joint

1 Legislative Committee on the Budget upon the secretary's certifying to the governor that any
2 delay would be detrimental to the state. The Joint Legislative Committee on the Budget
3 shall be notified in writing of such declaration and shall meet to consider such action, but
4 if it is found by the committee that such funds were not needed for an emergency
5 expenditure, such approval may be withdrawn and any balance remaining shall not be
6 expended.

7 B. The commissioner of administration is hereby authorized and directed to correct the
8 means of financing and expenditures for any appropriation contained in Schedule 20-901
9 Sales Tax Dedications to reflect current law enacted in any session of the Legislature which
10 affects any such means of financing or expenditure.

11 C. Notwithstanding any provision of law or this Act to the contrary, no funds herein
12 appropriated or authorized later through a BA-7 in any means of finance may be used for a
13 contact tracing program that mandates participation by an individual or business entity in the
14 state of Louisiana.

15 Section 3.A. Notwithstanding any other law to the contrary, the functions of any
16 department, agency, program, or budget unit of the executive branch, except functions in
17 departments, agencies, programs, or budget units of other statewide elected officials, may
18 be transferred to a different department, agency, program, or budget unit for the purpose of
19 economizing the operations of state government by executive order of the governor.
20 Provided, however, that each such transfer must, prior to implementation, be approved by
21 the commissioner of administration and Joint Legislative Committee on the Budget. Further,
22 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,
23 Organization of the Executive Branch of State Government.

24 B. In the event that any agency, budget unit, program, or function of a department is
25 transferred to any other department, agency, program, or budget unit by other Act or Acts
26 of the legislature, the commissioner of administration shall make the necessary adjustments
27 to appropriations through the notification of appropriation process, or through approval of
28 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions
29 of the Act or Acts which provide for the transfers.

1 C. Notwithstanding any other law to the contrary and before the commissioner of
2 administration shall authorize the purchase of any luxury or full-size motor vehicle for
3 personal assignment by a statewide elected official other than the governor and lieutenant
4 governor, such official shall first submit the request to the Joint Legislative Committee on
5 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such
6 vehicles as defined or used in rules or guidelines promulgated and implemented by the
7 Division of Administration.

8 D. Notwithstanding any provision of law to the contrary, each agency which has
9 contracted with outside legal counsel for representation in an action against another agency,
10 shall submit a detailed report of all litigation costs incurred and payable to the outside
11 counsel to the commissioner of administration, the legislative committee charged with
12 oversight of that agency, and the Joint Legislative Committee on the Budget. The report
13 shall be submitted on a quarterly basis, each January, April, July, and October, and shall
14 include all litigation costs paid and payable during the prior quarter. For purposes of this
15 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the
16 agency and of the other party if the agency was required to pay such costs and fees. The
17 commissioner of administration shall not authorize any payments for any such contract until
18 such report for the prior quarter has been submitted.

19 E. Notwithstanding any provision of law to the contrary, each agency may use a portion
20 of its appropriations contained in this Act for the expenditure of funds for salaries and
21 related benefits for smoking cessation wellness programs, including pharmacotherapy and
22 behavioral counseling for state employees of the agency.

23 Section 4. Each schedule as designated by a five-digit number code for which an
24 appropriation is made in this Act is hereby declared to be a budget unit of the state.

25 Section 5.A. The program descriptions, account descriptions, general performance
26 information, and the role, scope, and mission statements of postsecondary education
27 institutions contained in this Act are not part of the law and are not enacted into law by
28 virtue of their inclusion in this Act.

29 B. All key and supporting performance objectives and indicators for the departments,
30 agencies, programs, and budget units contained in the Governor's Executive Budget

1 Supporting Document shall be adjusted by the commissioner of administration to reflect the
2 funds appropriated therein. The commissioner of administration shall report on these
3 adjustments to the Joint Legislative Committee on the Budget by August 15 of the current
4 fiscal year.

5 C. The discretionary and nondiscretionary allocations if contained in this Act are
6 provided in accordance with R.S. 39:51(A)(3) and are to provide information to assist in
7 legislative decision making and shall not be construed to limit the expenditures or means of
8 financing of an agency, budget unit, or department to the discretionary or nondiscretionary
9 amounts contained in this Act.

10 D. The expenditure category allocations contained in this Act are provided for
11 informational purposes only from the Governor's Executive Budget supporting documents
12 in accordance with R.S. 39:51(C) and are to provide information to assist in legislative
13 decision making and shall not be construed to limit the expenditures or means of financing
14 of an agency, budget unit, or department to the expenditure category amounts contained in
15 this Act. The commissioner of administration shall notify the Joint Legislative Committee
16 on the Budget of the initial allocation of expenditures and means of financing for the
17 personal services expenditure category at the same time he reports initial expenditure
18 allocations as required by R.S. 39:57.1.

19 E. The incentive programs, expenditures, and benefits contained in this Act are provided
20 in accordance with R.S. 39:51(A)(2) and are not included as, nor counted towards, the
21 operating expenses of the department, agency, or authority.

22 F. The prior year budget and positions contained in this Act are provided in accordance
23 with R.S. 39:51 and are to provide information to assist in legislative decision making and
24 shall not be construed as additional expenditures, means of financing, or positions of an
25 agency, budget unit, or department.

26 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between
27 departments or schedules receiving appropriations. However, any unencumbered funds
28 which accrue to an appropriation within a department or schedule of this Act due to policy,
29 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner
30 of administration and the Joint Legislative Committee on the Budget, be transferred to any

1 other appropriation within that same department or schedule. Each request for the transfer
2 of funds pursuant to this Section shall include full written justification. The commissioner
3 of administration, upon approval by the Joint Legislative Committee on the Budget, shall
4 have the authority to transfer between departments funds associated with lease agreements
5 between the state and the Office Facilities Corporation. The commissioner of administration
6 shall, in accordance with R.S. 15:827.3, transfer between departments or schedules of this
7 Act any unencumbered funds which accrue to an appropriation due to the prior year savings
8 achieved as a result of legislation relative to the criminal justice system enacted in the 2017
9 Regular Session of the Legislature.

10 B. In conjunction with the continuing assessment of the existing staff, assets, contracts,
11 and facilities of each department, agency, program or budget unit's information technology
12 resources and procurement resources, upon completion of this assessment and to the extent
13 optimization of these resources will result in the projected cost savings through staff
14 reductions, realization of operational efficiencies, cost avoidance, and elimination of asset
15 duplication, the commissioner of administration is authorized to transfer the functions,
16 positions, assets, and funds from any other department, agency, program, or budget units
17 related to these optimizations to a different department. The provisions of this Subsection
18 shall not apply to the Department of Culture, Recreation and Tourism, or any agency
19 contained in Schedule 04, Elected Officials, of this Act.

20 C. The commissioner of administration shall review all existing leases for office and
21 warehouse space and compare the rent per square foot of such space to the market rent of
22 similar space in the same market. The commissioner of administration is authorized and
23 directed to renegotiate all leases that are in excess of the market rent to bring the rent in line
24 with the market rent. The commissioner of administration, upon approval of the Joint
25 Legislative Committee on the Budget, shall have the authority to transfer between
26 departments funds from any savings from renegotiated leases.

27 Section 7. The state treasurer is hereby authorized and directed to use any available
28 funds on deposit in the state treasury to complete the payment of General Fund
29 appropriations for the current fiscal year. In order to conform to the provisions of P.L. 101-
30 453, the Cash Management Improvement Act of 1990, and in accordance with the agreement

1 executed between the state and Financial Management Services, a division of the U.S.
2 Treasury, the state treasurer is hereby authorized to release checks drawn on federally funded
3 appropriations prior to the receipt of funds from the U.S. Treasury.

4 Section 8.A.(1) The figures in parentheses following the designation of a program are
5 the total authorized positions and authorized other charges positions for that program. If
6 there are no figures following a department, agency, or program, the commissioner of
7 administration shall have the authority to set the number of positions.

8 (2) The commissioner of administration, upon approval of the Joint Legislative
9 Committee on the Budget, shall have the authority to transfer positions between departments,
10 agencies, or programs or to increase or decrease positions and associated funding necessary
11 to effectuate such transfers.

12 (3) The number of authorized positions and authorized other charges positions approved
13 for each department, agency, or program as a result of the passage of this Act may be
14 increased by the commissioner of administration in conjunction with the transfer of
15 functions or funds to that department, agency, or program when sufficient documentation
16 is presented and the request deemed valid.

17 (4) The number of authorized positions and authorized other charges positions approved
18 in this Act for each department, agency, or program may also be increased by the
19 commissioner of administration when sufficient documentation of other necessary
20 adjustments is presented and the request is deemed valid. The total number of such positions
21 so approved by the commissioner of administration may not be increased in excess of three
22 hundred fifty. However, any request which reflects an annual aggregate increase in excess
23 of twenty-five positions for any department, agency, or program must also be approved by
24 the Joint Legislative Committee on the Budget.

23 shall be upheld by the legislature, the commissioner of administration shall withhold from

26 from the State General Fund.

27 Section 10.A. Pursuant to Article IV, Section 5(G)(2) and Article VII, Section 10(F) of
28 the Louisiana constitution, if at any time during the current fiscal year the official budget
29 status report indicates that appropriations will exceed the official revenue forecast, the
30 governor shall have full power to reduce appropriations in accordance with R.S. 39:75. The

1 governor shall have the authority to make adjustments to other means of financing and
2 positions necessary to balance the budget as authorized by R.S. 39:75(C).

3 B. The governor shall have the authority within any month of the fiscal year to direct
4 the commissioner of administration to disapprove warrants drawn upon the state treasury for

7 C. The governor may also, and in addition to the other powers set forth herein, issue
8 executive orders in a combination of any of the foregoing means for the purpose of
9 preventing the occurrence of a deficit.

10 Section 11. Notwithstanding the provisions of Section 2 of this Act, the commissioner
11 of administration shall make such technical adjustments as are necessary in the interagency
12 transfers means of financing and expenditure categories of the appropriations in this Act to
13 result in a balance between each transfer of funds from one budget unit to another budget
14 unit in this Act. Such adjustments shall be strictly limited to those necessary to achieve this
15 balance and shall in no way have the effect of changing the intended level of funding for a
16 program or budget unit of this Act.

17 Section 12.A. For the purpose of paying appropriations made herein, all revenues due
18 the state in the current fiscal year shall be credited by the collecting agency to the

14 fund the appropriations made from such fund source, the treasurer shall allocate money for
15 the payment of warrants drawn on such appropriations against such fund source during the

17 amount of appropriations from such fund source contained in both acts.

19 any local or parish salaries or salary supplements to which the personnel affected would be

27 for the current fiscal year, and shall provide a summary list of all such adjustments to the
28 Joint Legislative Committee on the Budget by August 31 of the current fiscal year.

29 Section 16. Should any section, subsection, clause, sentence, phrase, or part of the Act
30 for any reason be held, deemed or construed to be unconstitutional or invalid, such decisions

1 shall not affect the remaining provisions of the Act, and the legislature hereby declares that
2 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part
3 thereof, irrespective of the fact that one or more of the sections, subsections, clauses,
4 sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the
5 provisions of this Act are hereby declared severable.

6 Section 17.A. All BA-7 budget transactions, including relevant changes to performance
7 information, submitted in accordance with this Act or any other provisions of law which
8 require approval by the Joint Legislative Committee on the Budget or joint approval by the
9 commissioner of administration and the Joint Legislative Committee on the Budget shall be
10 submitted to the commissioner of administration, Joint Legislative Committee on the
11 Budget, and Legislative Fiscal Office a minimum of sixteen working days prior to
12 consideration by the Joint Legislative Committee on the Budget. Each submission must
13 include full justification of the transaction requested, but submission in accordance with this
14 deadline shall not be the sole determinant of whether the item is actually placed on the
15 agenda for a hearing by the Joint Legislative Committee on the Budget. Transactions not
16 submitted in accordance with the provisions of this Section shall be considered by the
17 commissioner of administration and Joint Legislative Committee on the Budget only when
18 extreme circumstances requiring immediate action exist.

19 B. Notwithstanding any contrary provision of this Act or any contrary provision of law,
20 no funds appropriated by this Act shall be released or provided to any recipient of an

24 of time granted by the legislative auditor or the Legislative Audit Advisory Council. The
25 legislative auditor may grant a recipient, for good cause shown, an extension of time to
26 comply with the provisions of R.S. 24:513. The Legislative Audit Advisory Council may
27 grant additional extensions of time to comply with the provisions of R.S. 24:513 for recipient
28 entities of an appropriation contained in this Act with recommendation by the legislative
29 auditor pursuant to R.S. 39:72.1.

1 Section 18.A. Funds appropriated to auxiliary accounts herein shall be from prior and

8 B.(1) No funds appropriated in this Act shall be transferred to a public or quasi-public
9 agency or entity which is not a budget unit of the state unless the intended recipient of those
10 funds submits, for approval, a comprehensive budget to the legislative auditor and the
11 transferring agency showing all anticipated uses of the appropriation, an estimate of the
12 duration of the project, and a plan showing specific goals and objectives for the use of such
13 funds, including measures of performance. In addition, and prior to making such
14 expenditure, the transferring agency shall require each recipient to agree in writing to
15 provide written reports to the transferring agency at least every six months concerning the
16 use of the funds and the specific goals and objectives for the use of the funds. In the event
17 the transferring agency determines that the recipient failed to use the funds set forth in its
18 budget within the estimated duration of the project or failed to reasonably achieve its
19 specific goals and objectives for the use of the funds, the transferring agency shall demand
20 that any unexpended funds be returned to the state treasury unless approval to retain the
21 funds is obtained from the division of administration and the Joint Legislative Committee
22 on the Budget. Each recipient shall be audited in accordance with R.S. 24:513. If the
23 amount of the public funds received by the provider is below the amount for which an audit
24 is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of
25 the funds to ensure effective achievement of the goals and objectives. The transferring
26 agency shall forward to the legislative auditor, the division of administration, and the Joint
27 Legislative Committee on the Budget a report showing specific data regarding compliance
28 with this Section and collection of any unexpended funds. This report shall be submitted no
29 later than May 1 of the current fiscal year.

4 provisions of the Louisiana Revised Statutes of 1950 and the Constitution of the State of
5 Louisiana to local governing authorities, and any transfer to a political subdivision created
6 for economic development or tourism promotion and established by law in a parish having
7 a population of no less than two hundred forty-five thousand persons and no more than three
8 hundred fifty thousand persons shall be exempt from the provisions of this Subsection.

9 (3) Notwithstanding any other provision of law or this Act to the contrary, if the name
10 of an entity subject to this Subsection is misspelled or misstated in this Act or any other Act,
11 the state treasurer may pay the funds appropriated to the entity without obtaining the
12 approval of the Joint Legislative Committee on the Budget, but only after the entity has
13 provided proof of its correct legal name to the state treasurer and transmitted a copy to the
14 staffs of the House Committee on Appropriations and the Senate Committee on Finance.

15 C. All departments containing appropriations out of means of financing designated as
16 coming from prior and current year collections shall report all prior year balances to the Joint
17 Legislative Committee on the Budget at its first meeting held after October 15 of the current
18 fiscal year.

19 D. All departments receiving appropriations in this Act shall spend all other means of
20 finance prior to spending any State General Fund (Direct), whenever possible, and shall
21 reverse warrant any State General Fund (Direct) if any other means of finance becomes

15 Expenditure Controls:

16 Provided, however, that the Louisiana Department of Health may, to control expenditures
17 to the level appropriated herein for the Medical Vendor Payments program, negotiate
18 supplemental rebates for the Medicaid pharmacy program in conjunction with the preferred
19 drug list. In these negotiations, the preferred drug list may be adjusted to limit brand name
20 drug products in each therapeutic category while ensuring appropriate access to medically
21 necessary medication.

22 Provided, however, that the Louisiana Department of Health shall continue with the
23 implementation of sustainability strategies to control the costs of the
24 Intellectual/Developmental Disabilities Home and Community Based Waivers in order that
25 the continued provision of Community Based Waivers for the citizens with developmental
26 disabilities is not jeopardized.

27 Public provider participation in financing:

28 The Louisiana Department of Health hereinafter the "department", shall only make Title XIX
29 (Medicaid) claim payments to non-state public hospitals, that certify matching funds for their
30 Title XIX claim payments and provide certification of incurred uncompensated care costs
31 (UCC) that qualify for public expenditures which are eligible for federal financial
32 participation under Title XIX of the Social Security Act to the department. The certification
33 for Title XIX claims payment match and the certification of UCC shall be in a form
34 satisfactory to the department and provided to the department no later than June 30, 2025.
35 Non-state public hospitals, that fail to make such certifications by June 30, 2025, may not
36 receive Title XIX claim payments or any UCC payments until the department receives the
37 required certifications. The department may exclude certain non-state public hospitals from
38 this requirement in order to implement alternative supplemental payment initiatives or
39 alternate funding initiatives, or if a hospital that is solely owned by a city or town has
40 changed its designation from a non-profit private hospital to a non-state public hospital
