SB 26 Engrossed

2025 Regular Session

Boudreaux

Proposed law requires the La. Dept. of Health to develop and provide certain type 1 diabetes information to the Dept. of Education.

Proposed law requires the Dept. of Education to provide the information to each city, parish, and local public school board.

Proposed law requires a recommendation that a parent or legal guardian of a student displaying warning signs with type 1 diabetes or positive early detection screening results should immediately consult the primary care doctor to develop a treatment plan.

Proposed law requires the school boards to distribute the information to parents and legal guardians of all prekindergarten and K-12 students upon enrollment and annually thereafter by posting on school websites or by electronic distribution.

Effective August 1, 2025.

(Adds R.S. 17:436.3.1)

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Health and Welfare to the engrossed bill:

1. Make technical changes.
