Provides for the nongovernmental entity funding request form

Proposed House Concurrent Resolution stipulates that the Nongovernmental Entity Funding Request must include the entity’s tax exemptions status if the entity is a nonprofit corporation; provides that the entity shall define any charges in the “other charges” category of the entity’s comprehensive budget; and requires the entity to provide a Form 990 for the past three years, if applicable.

Proposed House Concurrent Resolution removes the requirement of salaries to be included in the nongovernmental entities comprehensive budget.
