Sub. Bill For.:

Date: May 28, 2025	9:00 AM	Author: MILLER, G.
Dept./Agy.: Local Ad Valorem Taxing Authorities		
Subject: Clarifies and corrects tax sale provisions		Analyst: Deborah Vivien

TAX/AD VALOREMRE1 NO IMPACT LF RV See NotePage 1 of 1

Provides relative to the assessment, payment, and allocation of ad valorem taxes. (1/1/26)

Current law authorizes local taxing authorities to secure tax auctions with a lien in the amount of statutory impositions instead of property title with numerous programmatic requirements and guidelines effective for tax periods that begin on or after January 1, 2026. Act 409 of 2024 Regular Session provided the Constitutional Authority (approved at the 12/7/24 election) with Act 774 of 2024 RS providing the enabling legislation.

Proposed law provides presumably technical changes related to Act 774 of 2024 Regular Session to ensure that the tax sale provisions passed in 2024 are accommodated correctly in law. The bill appears to disallow a local option to accept partial payments of the termination price and does not specify ranking of other liens against the tax lien property (tax lien has priority).
