(Constitutional Amendment) Provides relative to the mandatory retirement of judges

Current law provides that a judge shall not remain in office beyond his 70th birthday, but also provides that he may remain in office until the completion of his term if he attains 70 years of age while serving a term of office.

Proposed law removes the present constitutional age limitation and provides that a judge shall not remain in office beyond his 75th birthday; provides that a judge who attains 75 years of age while serving a term of office shall be allowed to complete that term of office; applies to all judges sworn into the office of judge on or after 1/01/97; provides for the submission of the proposed amendment to the voters at the statewide election to be held 11/03/26, or at a statewide election authorized by law, whichever occurs first.

EXPENDITURE EXPLANATION

Secretary of State

The Department of State may incur minimal ballot processing costs associated with this measure. As a regular practice, the Department of State typically budgets for up to 10 constitutional amendments and statewide propositions for the fall statewide elections. To the extent the ballot includes more than 10 constitutional amendments and statewide propositions, the Department of State may require additional SGF resources for the November 3, 2026, statewide election. Any expenditure impact would be realized in FY 27.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
