ALCOHOLIC BEVERAGES: Provides relative to manufacturing brewers

Synopsis of Senate Amendments	
1.	Makes technical changes.

Digest of Bill as Finally Passed by Senate

Present law provides that manufacturers and brewers may sell and serve the products that are brewed at their facility on the grounds of the facility provided they pay all state and parish sales and excise taxes and comply with all local zoning laws and regulations.

Proposed law retains present law and provides that manufacturers and brewers may sell and serve their products at a local farmer's market provided they give the commissioner of alcohol and tobacco five days advance notice before the market begins and sell the product at a price consistent with the current price in the geographical area of the market.
