DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

SB 239 Engrossed

2025 Regular Session

McMath

Present law (R.S. 33:130.401) provides that the St. Tammany Parish Development District is declared to be a body politic and political subdivision of the state of Louisiana.

Proposed law (R.S. 33:130.402) retains present law and further provides that the district is a local governing authority solely for the purposes of the state's annual appropriations act.

Proposed law provides that the district may use "St. Tammany Economic Development Corporation" or a similar trade name.

Present law provides that the district shall be governed by a board of commissioners consisting of 11 members. All members shall be qualified voters and taxpayers within the limits of the district during their term of office. On and after January 1, 2018, members of the board of commissioners shall be nominated by the board of commissioners and submitted to the council of St. Tammany Parish for approval. Commissioners shall serve three-year terms of office, except in the case of any shorter initial terms. Initial terms shall be staggered for the periods indicated as follows:

- (1) Four members shall serve three-year initial terms.
- (2) Four members shall serve two-year initial terms.
- (3) Three members shall serve one-year initial terms.

Proposed law retains present law but removes reference to initial terms and the January 1, 2018, date. Provides that commissioners shall serve staggered three-year terms of office with three or four members term expiring in any year. Provides that members shall serve until the replacement is approved and sworn.

Present law provides that the nominating committee of the board of commissioners shall consist of the board president and vice president, the district executive director, the president of St. Tammany Parish or his designee, and a member of a regional board or commission selected by the president of St. Tammany Parish. Provides that the nominating committee shall submit its slate of nominees to the board of commissioners for approval. Provides that once a slate of nominees is approved by the board, it shall be forwarded to the council of St. Tammany Parish.

Proposed law provides instead that the nominating committee shall consist of the board chair, vice chair, and treasurer, the district president and chief executive officer, the president of St. Tammany Parish or his designee, a member of a regional board or commission selected by the parish president, the St. Tammany Parish Council chairman or his designee, and a member of the St. Tammany Parish Council selected by the council chairman. Provides that the regional board or commission member and the selected council

member shall not serve on the committee for more than two consecutive years. Removes provisions that require the slate of nominees to be forwarded to the council of St. Tammany Parish.

Present law provides that the initial slate of nominees shall be nominated by the members of the nominating committee and board of commissioners on or before December 31, 2017. For continuity, both the initial nominations and initial approved nominees shall include at least two members of the board of commissioners as of December 31, 2017.

Proposed law removes present law.

Present law provides that the board of commissioners shall elect from among its own members a president, a vice president, a secretary, and a treasurer, whose duties shall be those usual to such offices. Provides that at the option of the board of commissioners, the offices of secretary and treasurer may be held by one person.

Proposed law retains present law but changes the identification of certain officers as follows:

- (1) The position of president shall be identified as chair.
- (2) The position of vice president shall be identified as vice chair.

Present law provides that the board of commissioners shall meet in regular session every month and shall also meet in special session as often as the president of the board convenes them or on the written request of four members. Provides that six members of the board of commissioners shall constitute a quorum.

Proposed law changes present law so that the board of commissioners shall attempt to meet in regular session every month, and shall meet not less than nine times per calendar year whether in regular or special session as called by the chair or on the written request of four members. Retains the quorum at six members.

Present law provides that the board of commissioners shall prescribe rules to govern its meetings. Provides that the board of commissioners may contract with or employ attorneys, clerks, engineers, deputy commissioners, an executive director, and other agents and employees and shall fix their compensation and terms of employment.

Proposed law retains present law but changes one of the parties that the board can contract with from an executive director to a president and chief executive officer.

Present law provides that, notwithstanding the provisions of present law, a member of the board of commissioners who is appointed or who serves pursuant to present law who is an officer, director, trustee, or employee of the St. Tammany Economic Development Foundation may serve on the board of commissioners and may participate and vote on matters involving the district and the foundation as authorized by present law.

Proposed law retains present law but changes the appropriate entity of reference for the officer, director, trustee, or employee from the St. Tammany Economic Development Foundation to a nonprofit corporation focused on parish or regional economic development of which the district may be a member or contributor.
